ADVERTISEMENT FOR BIDS

CITY OF ALEXANDRIA

AUXILIARY POWER GENERATOR
FIRE STATION NO. 5
(5540 COLISEUM BOULEVARD)

Separate sealed bids for the CITY OF ALEXANDRIA AUXILIARY POWER GENERATOR FIRE STATION NO. 5 (5540 COLISEUM BOULEVARD) Project will be received by the City of Alexandria, Louisiana by the City Clerk, at the City Council Office, City Hall, 915 Third Street, Alexandria, Louisiana, 71301 until 10:00 a.m. (Central Time) on Tuesday, September 23, 2025 and then at said office publicly opened and read aloud. Any bid received after the specified time and date will not be considered.

A Mandatory Pre-Bid Conference will be held at 10:00 a.m. on Thursday, September 11, 2025 at the City of Alexandria Fire Station No. 5 located at 5540 Coliseum Boulevard, Alexandria, LA 71303.

The Instructions to Bidders, Bid Form, Agreement Between Owner and Contractor, Forms of Bid Bond, Performance and Payment Bonds, Drawings and Specifications, and other Contract Documents may be examined at the following location:

PAN AMERICAN ENGINEERS, LLC
(Design Professional)
1717 JACKSON STREET (71301)
P. O. BOX 8599 (71306)
ALEXANDRIA, LOUISIANA
(318) 473-2100

The work is generally described as follows:

All work related to the project entitled "City of Alexandria Auxiliary Power Generator Fire Station No. 5 (5540 Coliseum Boulevard)," being a 150 kW generator, natural gas fed. An additive alternate to replace the existing auto transfer switch is included.

Copies of the bidding documents shall be obtained from the office of Pan American Engineers, LLC upon deposit of \$150.00 for each set of documents; or from the electronic bid submittal option as noted in the Advertisement. The deposit on the first set of documents furnished to bonafide prime bidders will be fully refunded upon return of the documents, in good condition, no later than ten (10) days after receipt of bids. On other sets of documents furnished to bidders, the deposit less actual cost of reproduction will be refunded upon return of the documents, in good condition, no later than ten (10) days after receipt of bids.

Pursuant to Louisiana Revised Statute (L.R.S.) 38:2212.E.(1), Bidders have the option to secure bidding documents and submit bids electronically. Bidding documents may be secured from Central Bidding. Electronic bids for this project may be submitted through Central Bidding. The Central Bidding web address is www.CentralBidding.com. To register, or for assistance with completing an e-bid, contact Central Bidding at 225-810-4814 or 866-570-9620.

The OWNER reserves the right to reject any or all bids for just cause. Such actions will be in accordance with Title 38 of the L.R.S.

In accordance with L.R.S. 38:2212.B.(1), the provisions and requirements stated in the Bidding Documents shall not be considered as informalities and shall not be waived.

Each Bidder must deposit with the bid, security in the amount of at least five percent (5%) of the total bid price, as described in the Instructions to Bidders. Bid bonds shall be written by a surety or insurance company meeting the requirements noted in L.R.S. 38:2218.

The successful Bidder shall be required to furnish a Performance Bond and Payment Bond, in an amount equal to 100% of the Contract amount, written by a surety or insurance company meeting the requirements noted in L.R.S. 38:2219 A.(1)(a), (b) and (c), or for Federally funded projects, must be listed as acceptable on the U.S. Department of Treasury Circular 570.

City of Alexandria is an equal opportunity employer.

City of Alexandria encourages all small and minority-owned firms and women's business enterprises to apply.

Any person with disabilities required special accommodations must contact the City of Alexandria no later than seven (7) days prior to bid opening.

ADVERTISEMENT FOR BIDS

Sealed bids will be received for the City of Alexandria, Louisiana, by the City Clerk, at the City Council Chambers, City Hall, 915 Third Street, Alexandria, Louisiana, 71301, until 10:00 a.m. on Tuesday, the 23rd day of September, 2025, and then at said office publically opened and read aloud.

Any person requiring special accommodation shall notify the City Clerk of the type(s) of accommodations required not less than seven (7) days before the bid opening.

For:

***GENEALOGICAL LIBRARY ROOF STABILIZATION AND REPAIR
503 WASHINGTON STREET***

Complete Bidding Documents may be obtained from:

City Engineers Office
625 Murray Street, Second Floor
Alexandria, LA 71301
318-473-1170 (P)
318-441-6377 (F)

A Compact Disk (CD) with a complete set of bid documents will be given to licensed contractors.

Pursuant to LA R.S. 38:2212 A.(1)(f) and R.S. 38:2212 A.(1)(f)(vii), vendors/contractors have the option to submit bids and bonds electronically. Bids and bonds to be filed electronically shall be posted with **Central Bidding** at www.centrauctionhouse.com (1-225-810-4814). Registration will need to be completed prior to posting of bid. Plans, specifications and bid documents shall be obtained from the consultant listed above and posted with Central Bidding.

All bids must be accompanied by a bid security equal to five percent (5%) of the sum of the Base Bid, and must be in the form of a certified check, cashier's check or Bid Bond written by a surety or insurance company complying with R.S. 38.2218 C. The Bid Bond shall be in the favor of the Owner, and shall be accompanied by appropriate power of attorney.

The successful Bidder shall be required to furnish a Performance Bond and Payment Bond, in an amount equal to 100% of the Contract amount, written by a surety or insurance company meeting the requirements noted in R.S. 38.2219 A.(1)(a), (b) and (c).

Bids shall be accepted from Contractors who are licensed under R.S. 37.2150-2163 for the classification of "Building Construction". Project work shall consist of the following major items – installation of dimensional lumber to brace existing roof frame structure

and removal/replacement of roof tiles. The contract duration shall be forty-five (45) working days. The engineer's estimated cost of construction is \$ 70,000.

In accordance with 38.2212.(A)(1)(b)(ii)(bb) and 38.2227, the apparent low bidder will submit the CONTRACTOR'S AFFIDAVIT (AFF-1), CONTRACTOR'S ATTESTION (AC 1-2) and ATTESTATION CLAUSE REGARDING VERIFICATION OF EMPLOYEES (AV-1) within ten (10) days of the bid opening or they will be declared non-responsive.

No bid may be withdrawn for a period of forty-five (45) days after receipt of bids, except under the provisions of R.S. 38.2214.

The Owner reserves the right to reject any and all bids for just cause. In accordance with R.S. 38.2212.(A)(1)(b), the provisions and requirements of this section, and those stated in the Advertisement Bids, and those required on the Bid Form shall not be considered as informalities and shall not be waived.

ORDINANCE NO.

AN ORDINANCE AUTHORIZING THE MAYOR TO ACCEPT THE LOWEST PROPOSAL RECEIVED FROM YANKEE HOLDINGS DBA YANKEE CLIPPER FOR LANDSCAPE MAINTENANCE SERVICES AT JACKSON AND MACARTHUR AND OTHER MATTERS WITH RESPECT THERETO.

WHEREAS, Wednesday, September 3, 2025 at 2:00 PM, three proposals were received for landscape maintenance services for Jackson and MacArthur; and,

WHEREAS, award is to be made to the lowest, most responsive, responsible proposer; and,

WHEREAS, the Administration recommendation to award to Yankee Holdings DBA Yankee Clipper at rates as proposed, now therefore

SECTION I: BE IT ORDAINED by the Council of the City of Alexandria, Louisiana, in legal session convened, that the Council hereby authorizes the mayor to accept the lowest proposal received from Yankee Holdings DBA Yankee Clipper for landscape maintenance services.

SECTION II: BE IT FURTHER ORDAINED, etc. that the Mayor of the City of Alexandria be authorized to pay said low bidder from the 2025/2026 budget and to each and every other act or deed needed or necessary to consummate said transaction.

SECTION III: BE IT FURTHER ORDAINED, etc. this contract shall remain in effect for a period of twelve (12) months. Contingent upon the availability of funds, and the ability of the successful bidder to honor quoted prices, the City reserves the right to renew the existing contract for an additional twelve (12) month period.

SECTION IV: BE IT FURTHER ORDAINED, etc., that this ordinance shall become effective upon signature by the Mayor; or, if not signed or vetoed by the Mayor, upon expiration of the time for ordinances to become law without signature by the Mayor.

SECTION V: BE IT FURTHER ORDAINED, etc., that if any provision or item of this ordinance or the application thereof is held invalid, such invalidity shall not affect other provisions, items or applications of this ordinance which can be given effect without the invalid provisions, items, or applications, and to this end the provisions of this ordinance or hereby declared severable.

SECTION VI: BE IT FURTHER ORDAINED, etc., that all ordinances or parts of ordinances in conflict herewith are hereby repealed.

THIS ORDINANCE was introduced on the 23rd day of September, 2025.

NOTICE PUBLISHED on the 26th day of September, 2025.

THIS ORDINANCE having been submitted in writing, introduced and published, was then submitted to a final vote as a whole, the vote thereon being as follows:

CITY CLERK

PRESIDENT

MAYOR'S APPROVAL/VETO

Introduction of an ordinance authorizing the mayor to enter into an agreement with the U. S. Department of Housing and Urban Development with respect to annual CDBG and HOME grant funding contracts, amendments, and other documents and matters with respect thereto.

AGENDA ITEM FACT SHEET

*This fact sheet is the basis for a decision by the City Council.
Please insure that the information is clear, concise and current.*

Division/Department: Planning/Community Development

Date: September 16, 2025

Title: An ordinance authorizing the Mayor to enter into agreements with the U.S. Dept. of Housing and Urban Development with respect to annual CDBG and HOME grant funding contracts, amendments, and other documents and matters with respect thereto.

Explanation of Proposal:

Additional Information Attached ☒

The City of Alexandria receives federal entitlement grant funding from the U.S. Department of Housing and Urban Development (HUD) on an annual basis through the CDBG and HOME grant programs. These programs require the City to enter into various grant agreements with HUD and to submit other documentation to supporting the program.

Policy Requirements • Addendum 2. Program-Specific Requirements • Addendum 3. Indirect Cost Rate Schedule	

Authority and Agreement. This agreement between the U.S. Department of Housing and Urban Development (HUD) and the Recipient is made pursuant to the statutory authority above (box 19) and is subject to the applicable appropriations act(s) (box 20). This agreement incorporates by reference the HOME Investment Partnerships program statute 42 U.S.C. 12701 et seq., the program regulations at 24 C.F.R. § 92 (as now in effect and as may be amended from time to time), Recipient's consolidated plan/action plan, the relevant funding notice (box 21), any attached Specific Terms and Conditions, and the attached addenda (box 23).

U.S. Department of Housing and Urban Development — Federal Award Agreement

B. Terms and Conditions

1. *General terms and requirements.* The Recipient must comply with all applicable federal laws, regulations, and requirements unless otherwise provided through HUD's formal waiver authorities. This agreement, including any attachments and addenda, may only be amended in writing executed by parties to this agreement and any addenda.
2. *Administrative requirements.* The Recipient must comply with the following requirement(s) if checked below:
 - ☐ The administrative requirements in the HUD General Administrative, National, and Departmental Policy Requirements and Terms for HUD's Financial Assistance Programs 2025, as indicated in the relevant NOFO, apply to this agreement.
 - ☒ The grantee shall comply with requirements established by the Office of Management and Budget (OMB) concerning the Unique Entity Identifier (UEI); the System for Award Management (SAM.gov.); the Federal Funding Accountability and Transparency Act as provided in 2 C.F.R. part 25, Universal Identifier and General Contractor Registration; and 2 C.F.R. part 170, Reporting Subaward and Executive Compensation Information.
3. *Applicability of 2 C.F.R. part 200.*
 - ☒ The Recipient must comply with the applicable requirements at 2 C.F.R. part 200, as may be amended from time to time. If any previous or future amendments to 2 C.F.R. part 200 replace or renumber any part 200 section cited in HUD's regulations in Title 24 of the Code of Federal Regulations, the amended part 200 requirements will govern award activities carried out after the amendments' effective date.
 - ☐ The Recipient must comply with the applicable requirements at 2 C.F.R. part 200. If any previous amendments to 2 C.F.R. part 200 replace or renumber any part 200 section cited in HUD's regulations in Title 24 of the Code of Federal Regulations, the amended part 200 requirements will govern award activities carried out after the amendments' effective date.
4. *Future budget periods.* If the period of performance spans multiple budget periods, subsequent budget periods are subject to the availability of funds, program authority, satisfactory performance, and compliance with the terms and conditions of the Federal award.
5. *Indirect Cost Rate.* If the Recipient intends to use a negotiated or de minimis rate for indirect costs, the Recipient must submit an Indirect Cost Rate form to HUD, either with its application using HUD-426 (competitive grants) or with this agreement using "Addendum #3 "Indirect Cost Rate Schedule" (formula and congressional grants). The submitted form/addendum will be incorporated into and made part of this agreement, provided that the rate information is consistent with the applicable requirements under 2 C.F.R. § 200.414. If there is any change in the Recipient's indirect cost rate, it must immediately notify HUD and execute an amendment to this agreement to reflect the change if necessary.
6. *Recipient integrity and performance matters.* If the Federal share of this award is more than \$500,000 over the period of performance (box 6), the terms and conditions in 2 C.F.R. part 200 Appendix XII apply to this agreement.
7. *Recordkeeping and Access to Records.* The Recipient hereby agrees to maintain complete and accurate books of account for this award and award activities in such a manner as to permit the preparation of statements and reports in accordance with HUD requirements, and to permit timely and effective audit. The Recipient agrees to furnish HUD such financial and project reports, records, statements, subrecipient data, and documents at such times, in such form, and accompanied by such reporting data as required by HUD. HUD and its duly authorized representative shall have full and free access to all Recipient offices and facilities, and to all books, documents, and records of the Recipient relevant to the administration, receipt, and use of this award and award activities, including the right to audit and make copies. The Recipient agrees to maintain records that identify the source and application of funds, including relevant subrecipient data, in such a manner as to allow HUD to determine that all funds are and have been expended in accordance with program requirements and in a manner consistent with applicable law.

U.S. Department of Housing and Urban Development — Federal Award Agreement

Further, the Recipient hereby acknowledges that HUD is in the process of implementing new grants management and reporting tools, which will be made available for the Recipient's use in the future. The Recipient agrees to report on grant performance and financial activities (including vendor and cash disbursement supporting details for the Recipient and its subrecipients) using these new tools when they are released. HUD will work with the Recipient to support the Recipient's transition to this new reporting environment. Once implemented, timely reporting in this new environment will be mandatory. HUD reserves the right to exercise all of its available rights and remedies for any noncompliance with these grants management and financial reporting requirements, to include, without limitation, requiring 100% review, suspension of disbursements, and all other legally available remedies, to the furthest extent permitted by law, as amended.

8. *Noncompliance.* If the Recipient fails to comply with the provisions of this agreement, HUD may take one or more of the actions provided in program statutes, regulations or 2 C.F.R. § 200.339, as applicable. Nothing in this agreement shall limit any remedies otherwise available to HUD in the case of noncompliance by the Recipient. No delay or omissions by HUD in exercising any right or remedy available to it under this agreement shall impair any such right or remedy or constitute a waiver of or acquiescence in any Recipient noncompliance.
9. *Termination provisions.* Unless superseded by program statutes, regulations or NOFOs, the termination provisions in 2 C.F.R. § 200.340 apply.
10. *Build America, Buy America.* The Recipient must comply with the requirements of the Build America, Buy America (BABA) Act, 41 U.S.C. § 8301 note, and all applicable rules and notices, as may be amended, if applicable. Pursuant to HUD's Notice, "Public Interest Phased Implementation Waiver for FY 2022 and 2023 of Build America, Buy America Provisions as Applied to Recipients of HUD Federal Financial Assistance" (88 Fed. Reg. 17001), BABA requirements apply to any infrastructure projects HUD has obligated funds for after the effective dates, unless excepted by a waiver.
11. *Waste, Fraud, Abuse, and Whistleblower Protections.* Any person who becomes aware of the existence or apparent existence of fraud, waste, or abuse of any HUD award must report such incidents to both the HUD official responsible for the award and to HUD's Office of Inspector General (OIG). Allegations of fraud, waste, and abuse related to HUD programs can be reported to the HUD OIG hotline via phone at 1-800-347-3735 or online hotline form. The Recipient must comply with 41 U.S.C. § 4712, which includes informing employees in writing of their rights and remedies, in the predominant native language of the workforce. Under 41 U.S.C. § 4712, employees of a government contractor, subcontractor, recipient, and subrecipient—as well as a personal services contractor—who make a protected disclosure about a Federal award or contract cannot be discharged, demoted, or otherwise discriminated against if they reasonably believe the information they disclose is evidence of (1) gross mismanagement of a Federal contract or award; (2) waste of Federal funds; (3) abuse of authority relating to a Federal contract or award; (4) substantial and specific danger to public health and safety; or (5) violations of law, rule, or regulation related to a Federal contract or award.
12. *Third-Party Claims.* Nothing in this agreement shall be construed as creating or justifying any claim against the federal government or the Recipient by any third party.
13. *Rule of Construction and No Construction Against Drafter.* Notwithstanding anything contained in this agreement, the terms and conditions hereof are to be construed to have full and expansive effect in both interpretation and application, and the parties agree that the principle of interpretation that holds that ambiguities in terms or conditions are construed against the drafter shall not apply in interpreting this agreement.

C. Federal Award Performance Goals

The Recipient must meet any applicable performance goals, indicators, targets, and baseline data as required by applicable program requirements.

D. Specific Terms and Conditions

Not applicable ☒ Attached ☐

U.S. Department of Housing and Urban Development — Federal Award Agreement

For the U.S. Department of HUD (name and title of authorized official) Marlet N. Cox, Acting Director	Signature	Date
For the Recipient (name and title of authorized official) Jacques M. Roy, Mayor	Signature	Date

ADDENDUM 1. POLICY REQUIREMENTS

If applicable:

1. The Recipient shall not use grant funds to promote “gender ideology,” as defined in Executive Order (E.O.) 14168, Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government;
2. The Recipient agrees that its compliance in all respects with all applicable Federal anti-discrimination laws is material to the U.S. Government’s payment decisions for purposes of section 3729(b)(4) of title 31, United States Code;
3. The Recipient certifies that it does not operate any programs that violate any applicable Federal anti-discrimination laws, including Title VI of the Civil Rights Act of 1964;
4. The Recipient shall not use any grant funds to fund or promote elective abortions, as required by E.O. 14182, Enforcing the Hyde Amendment; and that,
5. Notwithstanding anything in the NOFO or Application, this Grant shall not be governed by Executive Orders revoked by E.O. 14154, including E.O. 14008, or NOFO requirements implementing Executive Orders that have been revoked.
6. The Recipient must administer its grant in accordance with all applicable immigration restrictions and requirements, including the eligibility and verification requirements that apply under title IV of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, as amended (8 U.S.C. 1601-1646) (PRWORA) and any applicable requirements that HUD, the Attorney General, or the U.S. Citizenship and Immigration Services may establish from time to time to comply with PRWORA, Executive Order 14213, or other Executive Orders or immigration laws.
7. No state or unit of general local government that receives funding under this grant may use that funding in a manner that by design or effect facilitates the subsidization or promotion of illegal immigration or shields illegal aliens from deportation, including by maintaining policies or practices that materially impede enforcement of federal immigration statutes and regulations.
8. The Recipient must use SAVE, or an equivalent verification system approved by the Federal government, to prevent any Federal public benefit from being provided to an ineligible alien who entered the United States illegally or is otherwise unlawfully present in the United States.
9. Faith-based organizations may be subrecipients for funds on the same basis as any other organization. Recipients may not, in the selection of subrecipients, discriminate against an organization based on the organization’s religious character, affiliation, or exercise.

ADDENDUM 2. PROGRAM-SPECIFIC REQUIREMENTS

Assistance Listing 14.239, HOME Investment Partnerships Program

1. For the purposes of this Agreement and any applicable addenda, the term "recipient" shall have the meaning of "grantee", "participating jurisdiction" as defined in 24 C.F.R. 92.2., or "insular area" as defined in 24 C.F.R. 92.2.
2. *Community Housing Development Organizations (CHDOs)*. When 42 U.S.C. 12771(b) is suspended by a given year's appropriations, the Secretary shall not deduct funds set aside for CHDOs from the Recipient's HOME Investment Trust Fund for failure to reserve those funds for projects owned, developed, or sponsored by CHDOs within 24 months after the last day of the month in which HUD notifies the Recipient of HUD's execution of this Agreement.
3. *Commitment*. When 42 U.S.C. 12749(g) is suspended by a given year's appropriations, the Recipient's ability to commit funds provided through this Agreement will not expire 24 months after the last day of the month in which such funds are deposited in the jurisdiction's HOME Investment Trust Fund.
4. *Deobligations*. To the extent authorized by HUD regulations at 24 C.F.R. Part 92, HUD may, by its execution of an amendment to this Agreement, deobligate funds previously awarded to the Recipient without the Recipient's execution of the amendment or other consent.
5. *State Environmental Review*. If a Recipient is a State, as defined in 24 C.F.R. 92.2, and the Recipient provides HOME funds to a "State recipient", as that term is defined in 24 CFR 92.2, then the Recipient must require that the "State recipient" shall assume responsibility for the environmental review in accordance with 24 CFR 92.352 in the written agreement entered into pursuant to 24 CFR 92.504. Notwithstanding the foregoing, as per 24 CFR 92.504(c)(1)(vi), the "State recipient" shall not assume the Recipient's responsibilities for release of funds under 24 CFR 92.352.
6. *Reallocations*. All funds for the specified Fiscal Year provided by HUD by formula reallocation are covered by this Agreement upon execution of an amendment by HUD, without the Recipient's execution of the amendment or other consent.
7. *Repayments*. The Recipient agrees that funds invested in affordable housing under 24 C.F.R. Part 92 are repayable when the housing no longer qualifies as affordable housing. Repayment shall be made as specified in 24 C.F.R. Part 92.
8. *Cost Sharing*. This award is subject to match provisions in 24 C.F.R. 92.64(a)(1) and 24 C.F.R. 92.218-222, as applicable. The amount of match that a recipient may be required to provide in a year is not based upon the amount of the recipient's award. Under 24 C.F.R. 92.218, the amount of match that a recipient may be required to provide is determined by the type of eligible costs incurred by the recipient and the amount of funds drawn from the HOME Investment Trust Fund Treasury Account in that year. Since these factors are fact-sensitive, the amount of match is not included in either Box 15 or Box 16 of this Agreement.

U.S. Department of Housing and Urban Development — Federal Award Agreement

9. *Funding Information:*

<u>Source of Funds</u>	<u>Appropriation Code</u>	<u>PAS Code</u>	<u>Amount</u>
2023	86 3/6 0205	HMF (M)	\$1,197.61
2024	86 4/7 0205	HMF (N)	\$ 898.86
2025	86 5/8 0205	HMF (P)	\$238,948.90

ADDENDUM 3. INDIRECT COST RATE SCHEDULE

As the duly authorized representative of the Recipient, I certify that the Recipient:

- ☒ Will not use an indirect cost rate to calculate and charge indirect costs under the grant.
- ☐ Will calculate and charge indirect costs under the grant by applying a *de minimis* rate as provided by 2 C.F.R. § 200.414(f), as may be amended from time to time.
- ☐ Will calculate and charge indirect costs under the grant using the indirect cost rate(s) listed below, and each rate listed is included in an indirect cost rate proposal developed in accordance with the applicable appendix to 2 C.F.R. part 200 and, *if required*, was approved by the cognizant agency for indirect costs.

Agency/department/major function	Indirect cost rate	Type of Direct Cost Base
	%	
	%	
	%	

Instructions for the Recipient:

The Recipient must mark the one (and only one) checkbox above that best reflects how the Recipient's indirect costs will be calculated and charged under the grant. Do not include indirect cost rate information for subrecipients.

The table following the third box must be completed only if that box is checked. When listing a rate in the table, enter both the percentage amount (e.g., 10%) and the type of direct cost base to be used. For example, if the direct cost base used for calculating indirect costs is Modified Total Direct Costs, then enter "MTDC" in the "Type of Direct Cost Base" column.

If using the Simplified Allocation Method for indirect costs, enter the applicable indirect cost rate and type of direct cost base in the first row of the table.

If using the Multiple Allocation Base Method, enter each major function of the organization for which a rate was developed and will be used under the grant, the indirect cost rate applicable to that major function, and the type of direct cost base to which the rate will be applied.

If the Recipient is a government and more than one agency or department will carry out activities under the grant, enter each agency or department that will carry out activities under the grant, the indirect cost rate(s) for that agency or department, and the type of direct cost base to which each rate will be applied.

To learn more about the indirect cost requirements, see 2 C.F.R. part 200, subpart E and Appendix VII to Part 200 (for state and local governments).

U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT
OFFICE OF COMMUNITY PLANNING AND DEVELOPMENT
FEDERAL AWARD AGREEMENT

Policy Requirements - Addendum 2. Program-Specific Requirements - Addendum 3. Indirect Cost Rate Schedule	

Authority and Agreement. This agreement between the U.S. Department of Housing and Urban Development (HUD) and the Recipient is made pursuant to the statutory authority above (box 19) and is subject to the applicable appropriations act(s) (box 20). This agreement incorporates by reference the Community Development Block Grant program statute 42 U.S.C. 5301 et seq., the program regulations at 24 C.F.R. § 570 (as now in effect and as may be

U.S. Department of Housing and Urban Development — Federal Award Agreement

amended from time to time), Recipient's consolidated plan/action plan, the relevant funding notice (box 21), any attached Specific Terms and Conditions, and the attached addenda (box 23).

B. Terms and Conditions

1. *General terms and requirements.* The Recipient must comply with all applicable federal laws, regulations, and requirements, unless otherwise provided through HUD's formal waiver authorities. This agreement, including any attachments and addenda, may only be amended in writing executed by parties to this agreement and any addenda.
2. *Administrative requirements.* The Recipient must comply with the following requirement(s) if checked below:
 - ☐ The administrative requirements in the HUD General Administrative, National, and Departmental Policy Requirements and Terms for HUD's Financial Assistance Programs 2025, as indicated in the relevant NOFO, apply to this agreement.
 - ☒ The grantee shall comply with requirements established by the Office of Management and Budget (OMB) concerning the Unique Entity Identifier (UEI); the System for Award Management (SAM.gov); the Federal Funding Accountability and Transparency Act as provided in 2 C.F.R. part 25, Universal Identifier and General Contractor Registration; and 2 C.F.R. part 170, Reporting Subaward and Executive Compensation Information.
3. *Applicability of 2 C.F.R. part 200.*
 - ☒ The Recipient must comply with the applicable requirements at 2 C.F.R. part 200, as may be amended from time to time. If any previous or future amendments to 2 C.F.R. part 200 replace or renumber any part 200 section cited in HUD's regulations in Title 24 of the Code of Federal Regulations, the amended part 200 requirements will govern award activities carried out after the amendments' effective date.
 - ☐ The Recipient must comply with the applicable requirements at 2 C.F.R. part 200. If any previous amendments to 2 C.F.R. part 200 replace or renumber any part 200 section cited in HUD's regulations in Title 24 of the Code of Federal Regulations, the amended part 200 requirements will govern award activities carried out after the amendments' effective date.
4. *Future budget periods.* If the period of performance spans multiple budget periods, subsequent budget periods are subject to the availability of funds, program authority, satisfactory performance, and compliance with the terms and conditions of the Federal award.
5. *Indirect Cost Rate.* If the Recipient intends to use a negotiated or de minimis rate for indirect costs, the Recipient must submit an Indirect Cost Rate form to HUD, either with its application using HUD-426 (competitive grants) or with this agreement using "Addendum #3 "Indirect Cost Rate Schedule" (formula and congressional grants). The submitted form/addendum will be incorporated into and made part of this agreement, provided that the rate information is consistent with the applicable requirements under 2 C.F.R. § 200.414. If there is any change in the Recipient's indirect cost rate, it must immediately notify HUD and execute an amendment to this agreement to reflect the change if necessary.
6. *Recipient integrity and performance matters.* If the Federal share of this award is more than \$500,000 over the period of performance (box 6), the terms and conditions in 2 C.F.R. part 200 Appendix XII apply to this agreement.
7. *Recordkeeping and Access to Records.* The Recipient hereby agrees to maintain complete and accurate books of account for this award and award activities in such a manner as to permit the preparation of statements and reports in accordance with HUD requirements, and to permit timely and effective audit. The Recipient agrees to furnish HUD such financial and project reports, records, statements, subrecipient data, and documents at such times, in such form, and accompanied by such reporting data as required by HUD. HUD and its duly authorized representative shall have full and free access to all Recipient offices and facilities, and to all books, documents, and records of the Recipient relevant to the administration, receipt, and use of this award and award activities, including the right to audit and make copies. The Recipient agrees to maintain records that identify the source and application of funds, including relevant subrecipient data, in

U.S. Department of Housing and Urban Development — Federal Award Agreement

such a manner as to allow HUD to determine that all funds are and have been expended in accordance with program requirements and in a manner consistent with applicable law.

Further, the Recipient hereby acknowledges that HUD is in the process of implementing new grants management and reporting tools, which will be made available for the Recipient's use in the future. The Recipient agrees to report on grant performance and financial activities (including vendor and cash disbursement supporting details for the Recipient and its subrecipients) using these new tools when they are released. HUD will work with the Recipient to support the Recipient's transition to this new reporting environment. Once implemented, timely reporting in this new environment will be mandatory. HUD reserves the right to exercise all of its available rights and remedies for any noncompliance with these grants management and financial reporting requirements, to include, without limitation, requiring 100% review, suspension of disbursements, and all other legally available remedies, to the furthest extent permitted by law, as amended.

8. *Noncompliance.* If the Recipient fails to comply with the provisions of this agreement, HUD may take one or more of the actions provided in program statutes, regulations or 2 C.F.R. § 200.339, as applicable. Nothing in this agreement shall limit any remedies otherwise available to HUD in the case of noncompliance by the Recipient. No delay or omissions by HUD in exercising any right or remedy available to it under this agreement shall impair any such right or remedy or constitute a waiver of or acquiescence in any Recipient noncompliance.
9. *Termination provisions.* Unless superseded by program statutes, regulations or NOFOs, the termination provisions in 2 C.F.R. § 200.340 apply.
10. *Build America, Buy America.* The Recipient must comply with the requirements of the Build America, Buy America (BABA) Act, 41 U.S.C. § 8301 note, and all applicable rules and notices, as may be amended, if applicable. Pursuant to HUD's Notice, "Public Interest Phased Implementation Waiver for FY 2022 and 2023 of Build America, Buy America Provisions as Applied to Recipients of HUD Federal Financial Assistance" (88 Fed. Reg. 17001), BABA requirements apply to any infrastructure projects HUD has obligated funds for after the effective dates, unless excepted by a waiver.
11. *Waste, Fraud, Abuse, and Whistleblower Protections.* Any person who becomes aware of the existence or apparent existence of fraud, waste, or abuse of any HUD award must report such incidents to both the HUD official responsible for the award and to HUD's Office of Inspector General (OIG). Allegations of fraud, waste, and abuse related to HUD programs can be reported to the HUD OIG hotline via phone at 1-800-347-3735 or online hotline form. The Recipient must comply with 41 U.S.C. § 4712, which includes informing employees in writing of their rights and remedies, in the predominant native language of the workforce. Under 41 U.S.C. § 4712, employees of a government contractor, subcontractor, recipient, and subrecipient—as well as a personal services contractor—who make a protected disclosure about a Federal award or contract cannot be discharged, demoted, or otherwise discriminated against if they reasonably believe the information they disclose is evidence of (1) gross mismanagement of a Federal contract or award; (2) waste of Federal funds; (3) abuse of authority relating to a Federal contract or award; (4) substantial and specific danger to public health and safety; or (5) violations of law, rule, or regulation related to a Federal contract or award.
12. *Third-Party Claims.* Nothing in this agreement shall be construed as creating or justifying any claim against the federal government or the Recipient by any third party.
13. *Rule of Construction and No Construction Against Drafter.* Notwithstanding anything contained in this agreement, the terms and conditions hereof are to be construed to have full and expansive effect in both interpretation and application, and the parties agree that the principle of interpretation that holds that ambiguities in terms or conditions are construed against the drafter shall not apply in interpreting this agreement.

C. Federal Award Performance Goals

The Recipient must meet any applicable performance goals, indicators, targets, and baseline data as required by applicable program requirements.

Not applicable ☒ Attached ☐

For the U.S. Department of HUD (name and title of authorized official) Marlet N. Cox, Acting Director	Signature	Date
For the Recipient (name and title of authorized official) Jacques M. Roy, Mayor	Signature	Date

ADDENDUM 1. POLICY REQUIREMENTS

If applicable:

1. The Recipient shall not use grant funds to promote "gender ideology," as defined in Executive Order (E.O.) 14168, Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government;
2. The Recipient agrees that its compliance in all respects with all applicable Federal anti-discrimination laws is material to the U.S. Government's payment decisions for purposes of section 3729(b)(4) of title 31, United States Code;
3. The Recipient certifies that it does not operate any programs that violate any applicable Federal anti-discrimination laws, including Title VI of the Civil Rights Act of 1964;
4. The Recipient shall not use any grant funds to fund or promote elective abortions, as required by E.O. 14182, Enforcing the Hyde Amendment; and that,
5. Notwithstanding anything in the NOFO or Application, this Grant shall not be governed by Executive Orders revoked by E.O. 14154, including E.O. 14008, or NOFO requirements implementing Executive Orders that have been revoked.
6. The Recipient must administer its grant in accordance with all applicable immigration restrictions and requirements, including the eligibility and verification requirements that apply under title IV of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, as amended (8 U.S.C. 1601-1646) (PRWORA) and any applicable requirements that HUD, the Attorney General, or the U.S. Citizenship and Immigration Services may establish from time to time to comply with PRWORA, Executive Order 14218, or other Executive Orders or immigration laws.
7. No state or unit of general local government that receives funding under this grant may use that funding in a manner that by design or effect facilitates the subsidization or promotion of illegal immigration or shields illegal aliens from deportation, including by maintaining policies or practices that materially impede enforcement of federal immigration statutes and regulations.
8. The Recipient must use SAVE, or an equivalent verification system approved by the Federal government, to prevent any Federal public benefit from being provided to an ineligible alien who entered the United States illegally or is otherwise unlawfully present in the United States.
9. Faith-based organizations may be subrecipients for funds on the same basis as any other organization. Recipients may not, in the selection of subrecipients, discriminate against an organization based on the organization's religious character, affiliation, or exercise.

ADDENDUM 2. PROGRAM-SPECIFIC REQUIREMENTS

Assistance Listing 14.218, Community Development Block Grant Program for Entitlement Communities

Assistance Listing 14.225, Community Development Block Grant Program for Insular Areas

Assistance Listing 14.228, Community Development Block Grant Program for States and Non-Entitlement Grants in Hawaii

1. *Environmental Review.* The Recipient agrees to assume all the responsibilities for environmental review, decision making, and actions, as specified and required in regulations issued by the Secretary pursuant to section 104(g) of title I of the Housing and Community Development Act of 1974 and published in 24 C.F.R. part 58; except that if the Recipient is a state, the Recipient must require the unit of general local government to assume that responsibility and must comply with the state's responsibilities under 24 C.F.R. 58.4.
2. *Public Use.* The Recipient shall ensure that no CDBG funds are used to support any Federal, State, or local projects that seek to use the power of eminent domain, unless eminent domain is employed only for public use. For the purposes of this requirement, public use shall not be construed to include economic development that primarily benefits private entities. Any use of funds for mass transit, railroad, airport, seaport, or highway projects as well as utility projects that benefit or serve the general public (including energy-, communication-, water-, and wastewater-related infrastructure), other structures designated for use by the general public or which have other common-carrier or public-utility functions that serve the general public and are subject to regulation and oversight by the government, and projects for the removal of an immediate threat to public health and safety or brownfield as defined in the Small Business Liability Relief and Brownfields Revitalization Act (Pub. Law No. 107-118) shall be considered a public use for purposes of eminent domain.
3. *Prohibition on Selling, Trading, and Transferring Funds.* The Recipient or unit of general local government that directly or indirectly receives CDBG funds may not sell, trade, or otherwise transfer all or any such portion of such funds to another such entity in exchange for any other funds, credits or non-Federal considerations, but must use such funds for activities eligible under title I of the Housing and Community Development Act of 1974.
4. *Construction of Water and Sewer Facilities.* Notwithstanding any other provision of this agreement, the Recipient may not obligate or expend award funds to plan or construct water or sewer facilities, including any new or revised activities, until after 1) it completes the review procedures required under Executive Order 12372, Intergovernmental Review of Federal Programs, and 24 C.F.R. part 52 and 2) HUD provides written notice of the release of funds.
5. *Funds for For-Profit Entities.* Under 42 U.S.C. § 5305(a)(17), CDBG funds may not be provided to a for-profit entity unless such activity or project has been evaluated and selected in accordance with Appendix A to 24 C.F.R. § 570, *Guidelines and Objectives for Evaluating Project Costs and Financial Requirements*.
6. *Violence Against Women Act.* The Recipient will comply with the right to report crime and emergencies protections at 34 U.S.C. § 12495 of the Violence Against Women Act.

U.S. Department of Housing and Urban Development — Federal Award Agreement

7. Funding Information and Period of Performance and Budget Period End Dates

<u>Source of Funds</u>	<u>Amount</u>	<u>Period of Performance End Date</u>	<u>Budget Period End Date</u>
2025	\$489,682.00	9/30/2033	9/30/2033

ADDENDUM 3. INDIRECT COST RATE SCHEDULE

As the duly authorized representative of the Recipient, I certify that the Recipient:

- ☒ Will not use an indirect cost rate to calculate and charge indirect costs under the grant.
- ☐ Will calculate and charge indirect costs under the grant by applying a *de minimis* rate as provided by 2 C.F.R. § 200.414(f), as may be amended from time to time.
- ☐ Will calculate and charge indirect costs under the grant using the indirect cost rate(s) listed below, and each rate listed is included in an indirect cost rate proposal developed in accordance with the applicable appendix to 2 C.F.R. part 200 and, *if required*, was approved by the cognizant agency for indirect costs.

Agency/department/major function	Indirect cost rate	Type of Direct Cost Base
	%	
	%	
	%	

Instructions for the Recipient:

The Recipient must mark the one (and only one) checkbox above that best reflects how the Recipient's indirect costs will be calculated and charged under the grant. Do not include indirect cost rate information for subrecipients.

The table following the third box must be completed only if that box is checked. When listing a rate in the table, enter both the percentage amount (e.g., 10%) and the type of direct cost base to be used. For example, if the direct cost base used for calculating indirect costs is Modified Total Direct Costs, then enter "MTDC" in the "Type of Direct Cost Base" column.

If using the Simplified Allocation Method for indirect costs, enter the applicable indirect cost rate and type of direct cost base in the first row of the table.

If using the Multiple Allocation Base Method, enter each major function of the organization for which a rate was developed and will be used under the grant, the indirect cost rate applicable to that major function, and the type of direct cost base to which the rate will be applied.

If the Recipient is a government and more than one agency or department will carry out activities under the grant, enter each agency or department that will carry out activities under the grant, the indirect cost rate(s) for that agency or department, and the type of direct cost base to which each rate will be applied.

To learn more about the indirect cost requirements, see 2 C.F.R. part 200, subpart E and Appendix VII to Part 200 (for state and local governments).

ORDINANCE NO.

AN ORDINANCE AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH THE U. S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT WITH RESPECT TO ANNUAL CDBG AND HOME GRANT FUNDING CONTRACTS, AMENDMENTS, AND OTHER DOCUMENTS AND MATTERS WITH RESPECT THERETO.

SECTION I: BE IT ORDAINED by the Council of the City of Alexandria, Louisiana, in legal session convened, that the Council hereby authorizes the mayor to enter into an agreement with the U. S. Department of Housing and Urban Development with respect to annual CDBG and Home Grant Funding Contracts, amendments, and other documents.

SECTION II: BE IT FURTHER ORDAINED, etc., that this ordinance shall become effective upon signature by the Mayor; or, if not signed or vetoed by the Mayor, upon expiration of the time for ordinances to become law without signature by the Mayor.

SECTION III: BE IT FURTHER ORDAINED, etc., that if any provision or item of this ordinance or the application thereof is held invalid, such invalidity shall not affect other provisions, items or applications of this ordinance which can be given effect without the invalid provisions, items, or applications, and to this end the provisions of this ordinance or hereby declared severable.

SECTION IV: BE IT FURTHER ORDAINED, etc., that all ordinances or parts of ordinances in conflict herewith are hereby repealed.

THIS ORDINANCE was introduced on the 23rd day of September, 2025.

NOTICE PUBLISHED on the 26th day of September, 2025.

THIS ORDINANCE having been submitted in writing, introduced and published, was then submitted to a final vote as a whole, the vote thereon being as follows:

CITY COUNCIL

ADVERTISEMENT FOR BIDS

Sealed bids will be received for the City of Alexandria, Louisiana, by the City Clerk, at the City Council Chambers, City Hall, 915 Third Street, Alexandria, Louisiana, 71301, until 10:00 a.m. on Tuesday, the 4 day of November, 2025, and then at said office publically opened and read aloud.

Any person requiring special accommodation shall notify the City Clerk of the type(s) of accommodations required not less than seven (7) days before the bid opening.

For:

MASONIC SPORTS COURT

Complete Bidding Documents may be obtained from:

City Engineers Office
625 Murray Street, Second Floor
Alexandria, LA 71301
318-473-1170 (P)
318-441-6377 (F)

A Compact Disk (CD) with a complete set of bid documents will be given to licensed contractors.

Pursuant to LA R.S. 38:2212 A.(1)(f) and R.S. 38:2212 A.(1)(f)(vii), vendors/contractors have the option to submit bids and bonds electronically. Bids and bonds to be filed electronically shall be posted with **Central Bidding** at www.centralauctionhouse.com (1-225-810-4814). Registration will need to be completed prior to posting of bid. Plans, specifications and bid documents shall be obtained from the consultant listed above and posted with Central Bidding.

All bids must be accompanied by a bid security equal to five percent (5%) of the sum of the Base Bid, and must be in the form of a certified check, cashier's check or Bid Bond written by a surety or insurance company complying with R.S. 38:2218 C. The Bid Bond shall be in the favor of the Owner, and shall be accompanied by appropriate power of attorney.

The successful Bidder shall be required to furnish a Performance Bond and Payment Bond, in an amount equal to 100% of the Contract amount, written by a surety or insurance company meeting the requirements noted in R.S. 38:2219 A.(1)(a), (b) and (c).

Bids shall be accepted from Contractors who are licensed under R.S. 37:2150-2163 for the classification of Highway, Street and Bridge Construction. Project work shall consist of the following major items – Concrete Paving, Acrylic Sports surfacing and colors,

Fencing, Sporting Equipment, Lighting etc. The contract duration shall be Ninty (90) working days. The engineer's estimated cost of construction is \$980,000.00

In accordance with 38.2212.(A)(1)(b)(ii)(bb) and 38.2227, the apparent low bidder will submit the CONTRACTOR'S AFFIDAVIT (AFF-1), CONTRACTOR'S ATTESTION (AC 1-2) and ATTESTATION CLAUSE REGARDING VERIFICATION OF EMPLOYEES (AV-1) within ten (10) days of the bid opening or they will be declared non-responsive.

No bid may be withdrawn for a period of forty-five (45) days after receipt of bids, except under the provisions of R.S. 38.2214.

The Owner reserves the right to reject any and all bids for just cause. In accordance with R.S. 38.2212.(A)(1)(b), the provisions and requirements of this section, and those stated in the Advertisement Bids, and those required on the Bid Form shall not be considered as informalities and shall not be waived.

RESOLUTION NO.

**RESOLUTION AUTHORIZING ADVERTISEMENT FOR BIDS FOR
MASONIC COURT SPORTS.**

BE IT RESOLVED by the Council of the City of Alexandria, Louisiana, in legal session convened, that the Council hereby authorizes advertisement for bids for Masonic Court Sports.

BE IT FURTHER RESOLVED, etc., that the City Clerk proceed with the advertisement according to law, with bids to be opened on November 4, 2025.

PASSED AND ADOPTED at Alexandria, Louisiana, this 23rd day of September, 2025.

/s/ Donna P. Jones, MMC
City Clerk

RESOLUTION setting a public hearing to be held on October 21, 2025
to consider condemnation of twenty-five (25) structures.

AGENDA ITEM FACT SHEET

*This fact sheet is the basis for a decision by the City Council.
Please insure that the information is clear, concise and current.*

Division/Department: Planning / Community Development **Date:** September 08, 2025

Title:

Resolution setting a public hearing to held on September 23, 2025 to consider condemnation of (25) structures within the City

Explanation of Proposal:

Additional Information Attached ☒

Introduce on September 23, 2025 for authorization to set a Public Hearing on October 21, 2025 for the condemnation of (25) blighted and abandoned structures throughout the City for the imminent threat to public health, safety and welfare of its surroundings. All structures have been inspected and ranked in order of severity of danger to its neighbors. All property owners have been sent notices of code violations and given the opportunity to correct or repair, however, have failed to take action.

CODE ENFORCEMENT DEFICIENCY ASSESSMENT

DATE:

PROPERTY ADDRESS: 124 NORTH 16th STREET Alexandria, LA 71301 CD-13562

OWNER NAME & ADDRESS: SWANSON ENTERPRISES
Bryce Evans 17 Main St.
FairHaven, MA 02719

ADDITIONAL OWNERS: N/A

TYPE OF STRUCTURE: Residential Single Family House

This report provides a list of code deficiencies for the structure located at the above stated address. As the Property Owner, you have two options to be executed at your own expense: Demolition or Rehabilitation. In order to be eligible for either option, the Property Owner will need to provide an itemized cost estimate prepared by a State Licensed Contractor and provide three months of current bank statements to show that sufficient funds are readily available to pay for the work.

DEFICIENCY ASSESSMENT:

X **306 Component Serviceability -**

SECTION 302 - EXTERIOR PROPERTY AREAS

- X **302.1 Sanitation & 308 Rubbish & Garbage** - All exterior property and premises shall be maintained in a clean, safe and sanitary condition. All exterior property and premises, and the interior of every structure, shall be free from any accumulation of rubbish or garbage.
- X **302.2 Grading and Drainage** - All premises shall be graded and maintained to prevent the erosion of soil and to prevent the accumulation of stagnant water thereon, or within any structure located thereon.
- X **302.4 Weeds** - All premises and exterior property shall be maintained free from weeds or plant growth in excess of 10 inches. All noxious weeds shall be prohibited. Weeds shall be defined as all grasses, annual plants and vegetation, other than trees or shrubs provided; however, this term shall not include cultivated flowers and gardens.
- X **302.3 Sidewalks and driveways** - All sidewalks, walkways, stairs, driveways, parking spaces and similar areas shall be kept in a proper state of repair, and maintained free from hazardous conditions.
- X **302.5 Rodent Harborage & 309 Pest Elimination** - The owner / occupant shall be responsible to ensure that all structures and exterior property shall be kept free from rodent harborage and infestations, on the interior or exterior. Where rodents are found, they shall be promptly exterminated by approved processes which will not be injurious to human health. After extermination, proper precautions shall be taken to eliminate rodent harborage and prevent re-infestation.
- X **302.6 Exhaust Vents** - Pipes, ducts, conductors, fans or blowers shall not discharge gasses, steam, vapor, hot air, grease, smoke, odors or other gaseous or particulate wastes directly upon abutting or adjacent public or private property or that of another tenant.
- X **302.9 Defacement of Property** - No person shall willfully or wantonly damage, mutilate or deface any exterior surface or any structure or building on any private or public property by placing thereon any marking, carving or graffiti. It shall be the responsibility of the owner to restore said surface to an approved state of maintenance and repair.

SECTION 304 - EXTERIOR STRUCTURE

- X **304.12 Handrails and guards** - Every handrail and guard shall be firmly fastened and capable of supporting normally imposed loads and shall be maintained in good condition.
- X **304.5 Foundation Walls** - All foundation walls shall be maintained plumb and free from open cracks and breaks and shall be kept in such condition so as to prevent the entry of rodents and other pests.
- X **304.7 Roofs and Drainage** - The roof and flashing shall be sound, tight and not have defects that admit rain. Roof drainage shall be adequate to prevent dampness or deterioration in the walls or interior portion of the structure. Roof drains, gutters and downspouts shall be maintained in good repair and free from obstructions. Roof water shall not be discharged in a manner that creates a public nuisance.
- X **304.9 Overhang extensions** - All overhang extensions including, but not limited to canopies, marquees, signs, metal awnings, fire escapes, standpipes and exhaust ducts shall be maintained in good repair and be properly anchored so as to be kept in a sound condition. When required, all exposed surfaces of metal or wood shall be protected from the elements and against decay or rust by periodic application of weather-coating materials, such as paint or similar treatment.
- X **304.13.1 Glazing & 304.13.2, 304.18.2 Windows** - All glazing materials shall be maintained free from cracks and holes. Operable windows located in whole or in part within 6 feet above ground level or a walking surface below that provide access to a dwelling unit, rooming unit or housekeeping unit that is rented, leased or let shall be equipped with a window sash locking device. Every window, other than a fixed window, shall be easily openable and capable of being held in position by window hardware.
- X **304.15 Doors & Locks** - All exterior doors, door assemblies and hardware shall be maintained in good condition. Locks at all entrances to dwelling units and sleeping units shall tightly secure the door. Locks on means of egress doors shall be in accordance with Section 702.3. Doors providing access to a dwelling unit, rooming unit or housekeeping unit that is rented, leased or let shall be equipped with a deadbolt lock designed to be readily openable from a side from which egress is to be made without the need for keys, special knowledge or effort and shall have a lock throw of not less than 1 inch. Such deadbolt locks shall be installed according to the manufacturer's specifications and maintained in good working order. For the purpose of this section, sliding bolt shall not be considered an acceptable deadbolt lock.
- X **304.2 Protective Treatment** - All exterior surfaces, including but not limited to, doors, door and window frames, cornices, porches, trim, balconies, decks, and fences shall be maintained in good condition. Exterior wood surfaces, other than decay-resistant woods, shall be protected from the elements and decay by painting or other protective covering or treatment. Peeling, flaking and chipped paint shall be eliminated and surfaces repainted. All siding and masonry joints as well those between the building envelope and the perimeter of windows, doors, and skylights shall be maintained weather resistant and water tight. All metal surfaces subject to rust or corrosion shall be coated to inhibit such rust and corrosion and all surfaces with rust or corrosion shall be stabilized and coated to inhibit future rust and corrosion. Oxidation stains shall be removed from exterior surfaces. Surfaces designed for stabilization by oxidation are exempt from this requirement. This applies to soils, concrete, aluminum, masonry, steel, or wood that exhibits deterioration, deformation, cracks, fractures and damage.
- X **304.14 Insect Screens** - Every door, window and other outside opening required for ventilation of habitable rooms, food preparation areas, food service areas or any areas where products to be included or utilized in food for human consumption are processed, manufactured, packaged or stored shall be supplied with approved tightly fitting screens of not less than 16 mesh per inch, and every screen door used for insect control shall have a self-closing device in good working condition.
- X **304.10 Stairways, decks, porches and balconies** - Every exterior stairway, deck, porch and balcony, and all appurtenances attached thereto, shall be maintained structurally sound, in good repair, with proper anchorage and capable of supporting the imposed loads.
- X **304.4 Structural Members** - All structural members shall be maintained free from deterioration, and shall be capable of safely supporting the imposed dead and live loads.

- X **304.6 Exterior Walls** - All exterior walls shall be free from holes, breaks, and loose or rotting materials; and maintained weatherproof and properly surface coated where required to prevent deterioration.
- X **304.18 & 304.19 Building security - Doors, Windows & Grates** - Doors, windows or hatchways for dwelling units, room units or housekeeping units shall be provided with devices designed to provide security for the occupants and property within.
- X **304.3 Premises Identification** - Buildings shall have approved address numbers placed in a position to be plainly legible and visible from the street or road fronting the property. These numbers shall contrast with their background. Address numbers shall be Arabic numerals or alphabet letters. Numbers shall be a minimum of 4 inches high with a minimum stroke width of 0.5 inch.
- X **304.8 Decorative Features** - All cornices, belt courses, corbels, terracotta trim, wall facings and similar decorative features shall be maintained in good repair with proper anchorage and in a safe condition.

SECTION 305 - INTERIOR STRUCTURE

- X **305.4 Stairs and walking surfaces** - Every stair, ramp, landing, balcony, porch, deck or other walking surface shall be maintained in sound condition and good repair.
- X **305.3 Interior surfaces** - All interior surfaces, including windows and doors, shall be maintained in good, clean and sanitary condition. Peeling, chipping, flaking or abraded paint shall be repaired, removed or covered. Cracked or loose plaster, decayed wood and other defective surface conditions shall be corrected
- X **305.6 Interior doors** - Every interior door shall fit reasonably well within its frame and shall be capable of being opened and closed by being properly and securely attached to jambs, headers or tracks as intended by the manufacturer of the attachment hardware.
- X **305.2 Structural members** - All structural members shall be maintained structurally sound, and be capable of supporting the imposed loads.

Inspector did not enter the structure, however, based on the current condition of the exterior, it appears that significant work will have to be performed on the interior that may include electrical, plumbing, mechanical and carpentry work by licensed Contractors.

- X **304.10 Stairways, decks, porches and balconies** - Every exterior stairway, deck, porch and balcony, and all appurtenances attached thereto, shall be maintained structurally sound, in good repair, with proper anchorage and capable of supporting the imposed loads.
- X **304.11 Chimneys and towers** - All chimneys, cooling towers, smoke stacks, and similar appurtenances shall be maintained structurally safe and sound, and in good repair. All exposed surfaces of metal or wood shall be protected from the elements and against decay or rust by periodic application of weather-coating materials, such as paint or similar surface treatment.
- X **304.4 Structural Members** - All structural members shall be maintained free from deterioration, and shall be capable of safely supporting the imposed dead and live loads.
- X **304.6 Exterior Walls** - All exterior walls shall be free from holes, breaks, and loose or rotting materials; and maintained weatherproof and properly surface coated where required to prevent deterioration.

SECTION 305 - INTERIOR STRUCTURE

- X **305.4 Stairs and walking surfaces** - Every stair, ramp, landing, balcony, porch, deck or other walking surface shall be maintained in sound condition and good repair.
- X **305.5 and 307.1 Handrails and guards** - Every handrail and guard shall be firmly fastened and capable of supporting normally imposed loads and shall be maintained in good condition. Every exterior and interior flight of stairs having more than four risers shall have a handrail on one side of the stair and every open portion of a stair, landing, balcony, porch, deck, ramp or other walking surface which is more than 30 inches above the floor or grade below shall have guards. Handrails shall not be less than 30 inches high or more than 42 inches high measured vertically above the nosing of the tread or above the finished floor of the landing or walking surfaces. Guards shall not be less than 30 inches height above the floor of the landing, balcony, porch, deck, or ramp or other walking surface.
- X **305.3 Interior surfaces** - All interior surfaces, including windows and doors, shall be maintained in good, clean and sanitary condition. Peeling, chipping, flaking or abraded paint shall be repaired, removed or covered. Cracked or loose plaster, decayed wood and other defective surface conditions shall be corrected
- X **305.6 Interior doors** - Every interior door shall fit reasonably well within its frame and shall be capable of being opened and closed by being properly and securely attached to jambs, headers or tracks as intended by the manufacturer of the attachment hardware.
- X **305.2 Structural members** - All structural members shall be maintained structurally sound, and be capable of supporting the imposed loads.

Inspector did not enter the structure, however, based on the current condition of the exterior, it appears that significant work will have to be performed on the interior that may include electrical, plumbing, mechanical and carpentry work by licensed Contractors.

TYPE OF STRUCTURE: Residential Single Family House

This report provides a list of code deficiencies for the structure located at the above stated address. As the Property Owner, you have two options to be executed at your own expense: Demolition or Rehabilitation. In order to be eligible for either option, the Property Owner will need to provide an itemized cost estimate prepared by a State Licensed Contractor and provide three months of current bank statements to show that sufficient funds are readily available to pay for the work.

DEFICIENCY ASSESSMENT:

X **306 Component Serviceability -**

SECTION 302 - EXTERIOR PROPERTY AREAS

- X **302.6 Exhaust Vents** - Pipes, ducts, conductors, fans or blowers shall not discharge gasses, steam, vapor, hot air, grease, smoke, odors or other gaseous or particulate wastes directly upon abutting or adjacent public or private property or that of another tenant.
- X **302.1 Sanitation & 308 Rubbish & Garbage** - All exterior property and premises shall be maintained in a clean, safe and sanitary condition. All exterior property and premises, and the interior of every structure, shall be free from any accumulation of rubbish or garbage.
- X **302.4 Weeds** - All premises and exterior property shall be maintained free from weeds or plant growth in excess of 10 inches. All noxious weeds shall be prohibited. Weeds shall be defined as all grasses, annual plants and vegetation, other than trees or shrubs provided; however, this term shall not include cultivated flowers and gardens.
- X **302.3 Sidewalks and driveways** - All sidewalks, walkways, stairs, driveways, parking spaces and similar areas shall be kept in a proper state of repair, and maintained free from hazardous conditions.
- X **302.5 Rodent Harborage & 309 Pest Elimination** - The owner / occupant shall be responsible to ensure that all structures and exterior property shall be kept free from rodent harborage and infestations, on the interior or exterior. Where rodents are found, they shall be promptly exterminated by approved processes which will not be injurious to human health. After extermination, proper precautions shall be taken to eliminate rodent harborage and prevent re-infestation.

SECTION 304 - EXTERIOR STRUCTURE

- X **304.13.1 Glazing & 304.13.2, 304.18.2 Windows** - All glazing materials shall be maintained free from cracks and holes. Operable windows located in whole or in part within 6 feet above ground level or a walking surface below that provide access to a dwelling unit, rooming unit or housekeeping unit that is rented, leased or let shall be equipped with a window sash locking device. Every window, other than a fixed window, shall be easily openable and capable of being held in position by window hardware.
-

-
- X **304.15 Doors & Locks** - All exterior doors, door assemblies and hardware shall be maintained in good condition. Locks at all entrances to dwelling units and sleeping units shall tightly secure the door. Locks on means of egress doors shall be in accordance with Section 702.3. Doors providing access to a dwelling unit, rooming unit or housekeeping unit that is rented, leased or let shall be equipped with a deadbolt lock designed to be readily openable from a side from which egress is to be made without the need for keys, special knowledge or effort and shall have a lock throw of not less than 1 inch. Such deadbolt locks shall be installed according to the manufacturer's specifications and maintained in good working order. For the purpose of this section, sliding bolt shall not be considered an acceptable deadbolt lock.
- X **304.2 Protective Treatment** - All exterior surfaces, including but not limited to, doors, door and window frames, cornices, porches, trim, balconies, decks, and fences shall be maintained in good condition. Exterior wood surfaces, other than decay-resistant woods, shall be protected from the elements and decay by painting or other protective covering or treatment. Peeling, flaking and chipped paint shall be eliminated and surfaces repainted. All siding and masonry joints as well those between the building envelope and the perimeter of windows, doors, and skylights shall be maintained weather resistant and water tight. All metal surfaces subject to rust or corrosion shall be coated to inhibit such rust and corrosion and all surfaces with rust or corrosion shall be stabilized and coated to inhibit future rust and corrosion. Oxidation stains shall be removed from exterior surfaces. Surfaces designed for stabilization by oxidation are exempt from this requirement. This applies to soils, concrete, aluminum, masonry, steel, or wood that exhibits deterioration, deformation, cracks, fractures and damage.
- X **304.14 Insect Screens** - Every door, window and other outside opening required for ventilation of habitable rooms, food preparation areas, food service areas or any areas where products to be included or utilized in food for human consumption are processed, manufactured, packaged or stored shall be supplied with approved tightly fitting screens of not less than 16 mesh per inch, and every screen door used for insect control shall have a self-closing device in good working condition.
- X **304.7 Roofs and Drainage** - The roof and flashing shall be sound, tight and not have defects that admit rain. Roof drainage shall be adequate to prevent dampness or deterioration in the walls or interior portion of the structure. Roof drains, gutters and downspouts shall be maintained in good repair and free from obstructions. Roof water shall not be discharged in a manner that creates a public nuisance.
- X **304.9 Overhang extensions** - All overhang extensions including, but not limited to canopies, marquees, signs, metal awnings, fire escapes, standpipes and exhaust ducts shall be maintained in good repair and be properly anchored so as to be kept in a sound condition. When required, all exposed surfaces of metal or wood shall be protected from the elements and against decay or rust by periodic application of weather-coating materials, such as paint or similar treatment.
- X **304.18 & 304.19 Building security - Doors, Windows & Grates** - Doors, windows or hatchways for dwelling units, room units or housekeeping units shall be provided with devices designed to provide security for the occupants and property within.
- X **304.3 Premises Identification** - Buildings shall have approved address numbers placed in a position to be plainly legible and visible from the street or road fronting the property. These numbers shall contrast with their background. Address numbers shall be Arabic numerals or alphabet letters. Numbers shall be a minimum of 4 inches high with a minimum stroke width of 0.5 inch.
- X **304.8 Decorative Features** - All cornices, belt courses, corbels, terracotta trim, wall facings and similar decorative features shall be maintained in good repair with proper anchorage and in a safe condition.
- X **304.4 Structural Members** - All structural members shall be maintained free from deterioration, and shall be capable of safely supporting the imposed dead and live loads.
-

- X **304.6 Exterior Walls** - All exterior walls shall be free from holes, breaks, and loose or rotting materials; and maintained weatherproof and properly surface coated where required to prevent deterioration.

SECTION 305 - INTERIOR STRUCTURE

- X **305.2 Structural members** - All structural members shall be maintained structurally sound, and be capable of supporting the imposed loads.
- X **305.3 Interior surfaces** - All interior surfaces, including windows and doors, shall be maintained in good, clean and sanitary condition. Peeling, chipping, flaking or abraded paint shall be repaired, removed or covered. Cracked or loose plaster, decayed wood and other defective surface conditions shall be corrected
- X **305.6 Interior doors** - Every interior door shall fit reasonably well within its frame and shall be capable of being opened and closed by being properly and securely attached to jambs, headers or tracks as intended by the manufacturer of the attachment hardware.
-

Inspector did not enter the structure, however, based on the current condition of the exterior, it appears that significant work will have to be performed on the interior that may include electrical, plumbing, mechanical and carpentry work by licensed Contractors.

This report provides a list of code deficiencies for the structure located at the above stated address. As the Property Owner, you have two options to be executed at your own expense: Demolition or Rehabilitation. In order to be eligible for either option, the Property Owner will need to provide an itemized cost estimate prepared by a State Licensed Contractor and provide three months of current bank statements to show that sufficient funds are readily available to pay for the work.

DEFICIENCY ASSESSMENT:

X **306 Component Serviceability -**

SECTION 302 - EXTERIOR PROPERTY AREAS

- X **302.6 Exhaust Vents** - Pipes, ducts, conductors, fans or blowers shall not discharge gasses, steam, vapor, hot air, grease, smoke, odors or other gaseous or particulate wastes directly upon abutting or adjacent public or private property or that of another tenant.
- X **302.1 Sanitation & 308 Rubbish & Garbage** - All exterior property and premises shall be maintained in a clean, safe and sanitary condition. All exterior property and premises, and the interior of every structure, shall be free from any accumulation of rubbish or garbage.
- X **302.2 Grading and Drainage** - All premises shall be graded and maintained to prevent the erosion of soil and to prevent the accumulation of stagnant water thereon, or within any structure located thereon.
- X **302.4 Weeds** - All premises and exterior property shall be maintained free from weeds or plant growth in excess of 10 inches. All noxious weeds shall be prohibited. Weeds shall be defined as all grasses, annual plants and vegetation, other than trees or shrubs provided; however, this term shall not include cultivated flowers and gardens.
- X **302.3 Sidewalks and driveways** - All sidewalks, walkways, stairs, driveways, parking spaces and similar areas shall be kept in a proper state of repair, and maintained free from hazardous conditions.
- X **302.5 Rodent Harborage & 309 Pest Elimination** - The owner / occupant shall be responsible to ensure that all structures and exterior property shall be kept free from rodent harborage and infestations, on the interior or exterior. Where rodents are found, they shall be promptly exterminated by approved processes which will not be injurious to human health. After extermination, proper precautions shall be taken to eliminate rodent harborage and prevent re-infestation.
-

SECTION 304 - EXTERIOR STRUCTURE

- X **304.13.1 Glazing & 304.13.2, 304.18.2 Windows** - All glazing materials shall be maintained free from cracks and holes. Operable windows located in whole or in part within 6 feet above ground level or a walking surface below that provide access to a dwelling unit, rooming unit or housekeeping unit that is rented, leased or let shall be equipped with a window sash locking device. Every window, other than a fixed window, shall be easily openable and capable of being held in position by window hardware.
- X **304.15 Doors & Locks** - All exterior doors, door assemblies and hardware shall be maintained in good condition. Locks at all entrances to dwelling units and sleeping units shall tightly secure the door. Locks on means of egress doors shall be in accordance with Section 702.3. Doors providing access to a dwelling unit, rooming unit or housekeeping unit that is rented, leased or let shall be equipped with a deadbolt lock designed to be readily openable from a side from which egress is to be made without the need for keys, special knowledge or effort and shall have a lock throw of not less than 1 inch. Such deadbolt locks shall be installed according to the manufacturer's specifications and maintained in good working order. For the purpose of this section, sliding bolt shall not be considered an acceptable deadbolt lock.
- X **304.2 Protective Treatment** - All exterior surfaces, including but not limited to, doors, door and window frames, cornices, porches, trim, balconies, decks, and fences shall be maintained in good condition. Exterior wood surfaces, other than decay-resistant woods, shall be protected from the elements and decay by painting or other protective covering or treatment. Peeling, flaking and chipped paint shall be eliminated and surfaces repainted. All siding and masonry joints as well those between the building envelope and the perimeter of windows, doors, and skylights shall be maintained weather resistant and water tight. All metal surfaces subject to rust or corrosion shall be coated to inhibit such rust and corrosion and all surfaces with rust or corrosion shall be stabilized and coated to inhibit future rust and corrosion. Oxidation stains shall be removed from exterior surfaces. Surfaces designed for stabilization by oxidation are exempt from this requirement. This applies to soils, concrete, aluminum, masonry, steel, or wood that exhibits deterioration, deformation, cracks, fractures and damage.
- X **304.14 Insect Screens** - Every door, window and other outside opening required for ventilation of habitable rooms, food preparation areas, food service areas or any areas where products to be included or utilized in food for human consumption are processed, manufactured, packaged or stored shall be supplied with approved tightly fitting screens of not less than 16 mesh per inch, and every screen door used for insect control shall have a self-closing device in good working condition.
- X **304.12 Handrails and guards** - Every handrail and guard shall be firmly fastened and capable of supporting normally imposed loads and shall be maintained in good condition.
- X **304.5 Foundation Walls** - All foundation walls shall be maintained plumb and free from open cracks and breaks and shall be kept in such condition so as to prevent the entry of rodents and other pests.
- X **304.7 Roofs and Drainage** - The roof and flashing shall be sound, tight and not have defects that admit rain. Roof drainage shall be adequate to prevent dampness or deterioration in the walls or interior portion of the structure. Roof drains, gutters and downspouts shall be maintained in good repair and free from obstructions. Roof water shall not be discharged in a manner that creates a public nuisance.
- X **304.9 Overhang extensions** - All overhang extensions including, but not limited to canopies, marquees, signs, metal awnings, fire escapes, standpipes and exhaust ducts shall be maintained in good repair and be properly anchored so as to be kept in a sound condition. When required, all exposed surfaces of metal or wood shall be protected from the elements and against decay or rust by periodic application of weather-coating materials, such as paint or similar treatment.

- X **304.10 Stairways, decks, porches and balconies** - Every exterior stairway, deck, porch and balcony, and all appurtenances attached thereto, shall be maintained structurally sound, in good repair, with proper anchorage and capable of supporting the imposed loads.
- X **304.4 Structural Members** - All structural members shall be maintained free from deterioration, and shall be capable of safely supporting the imposed dead and live loads.
- X **304.6 Exterior Walls** - All exterior walls shall be free from holes, breaks, and loose or rotting materials; and maintained weatherproof and properly surface coated where required to prevent deterioration.
- X **304.18 & 304.19 Building security - Doors, Windows & Grates** - Doors, windows or hatchways for dwelling units, room units or housekeeping units shall be provided with devices designed to provide security for the occupants and property within.
- X **304.8 Decorative Features** - All cornices, belt courses, corbels, terracotta trim, wall facings and similar decorative features shall be maintained in good repair with proper anchorage and in a safe condition.

SECTION 305 - INTERIOR STRUCTURE

- X **305.5 and 307.1 Handrails and guards** - Every handrail and guard shall be firmly fastened and capable of supporting normally imposed loads and shall be maintained in good condition. Every exterior and interior flight of stairs having more than four risers shall have a handrail on one side of the stair and every open portion of a stair, landing, balcony, porch, deck, ramp or other walking surface which is more than 30 inches above the floor or grade below shall have guards. Handrails shall not be less than 30 inches high or more than 42 inches high measured vertically above the nosing of the tread or above the finished floor of the landing or walking surfaces. Guards shall not be less than 30 inches height above the floor of the landing, balcony, porch, deck, or ramp or other walking surface.
- X **305.2 Structural members** - All structural members shall be maintained structurally sound, and be capable of supporting the imposed loads.
- X **305.4 Stairs and walking surfaces** - Every stair, ramp, landing, balcony, porch, deck or other walking surface shall be maintained in sound condition and good repair.
- X **305.3 Interior surfaces** - All interior surfaces, including windows and doors, shall be maintained in good, clean and sanitary condition. Peeling, chipping, flaking or abraded paint shall be repaired, removed or covered. Cracked or loose plaster, decayed wood and other defective surface conditions shall be corrected
- X **305.6 Interior doors** - Every interior door shall fit reasonably well within its frame and shall be capable of being opened and closed by being properly and securely attached to jambs, headers or tracks as intended by the manufacturer of the attachment hardware.

Inspector did not enter the structure, however, based on the current condition of the exterior, it appears that significant work will have to be performed on the interior that may include electrical, plumbing, mechanical and carpentry work by licensed Contractors.

CODE ENFORCEMENT DEFICIENCY ASSESSMENT

DATE:

PROPERTY ADDRESS: 1410 FENNER STREET Alexandria, LA 71301 CD-14203

OWNER NAME & ADDRESS: Melecia A. Scott 1406 N Dye Rd.
Flint, MI 48532

ADDITIONAL OWNERS: N/A

TYPE OF STRUCTURE: Residential Single Family House

This report provides a list of code deficiencies for the structure located at the above stated address. As the Property Owner, you have two options to be executed at your own expense: Demolition or Rehabilitation. In order to be eligible for either option, the Property Owner will need to provide an itemized cost estimate prepared by a State Licensed Contractor and provide three months of current bank statements to show that sufficient funds are readily available to pay for the work.

DEFICIENCY ASSESSMENT:

X **306 Component Serviceability -**

SECTION 302 - EXTERIOR PROPERTY AREAS

- X **302.1 Sanitation & 308 Rubbish & Garbage** - All exterior property and premises shall be maintained in a clean, safe and sanitary condition. All exterior property and premises, and the interior of every structure, shall be free from any accumulation of rubbish or garbage.
- X **302.2 Grading and Drainage** - All premises shall be graded and maintained to prevent the erosion of soil and to prevent the accumulation of stagnant water thereon, or within any structure located thereon.
- X **302.4 Weeds** - All premises and exterior property shall be maintained free from weeds or plant growth in excess of 10 inches. All noxious weeds shall be prohibited. Weeds shall be defined as all grasses, annual plants and vegetation, other than trees or shrubs provided; however, this term shall not include cultivated flowers and gardens.
- X **302.6 Exhaust Vents** - Pipes, ducts, conductors, fans or blowers shall not discharge gasses, steam, vapor, hot air, grease, smoke, odors or other gaseous or particulate wastes directly upon abutting or adjacent public or private property or that of another tenant.
- X **302.3 Sidewalks and driveways** - All sidewalks, walkways, stairs, driveways, parking spaces and similar areas shall be kept in a proper state of repair, and maintained free from hazardous conditions.
- X **302.5 Rodent Harborage & 309 Pest Elimination** - The owner / occupant shall be responsible to ensure that all structures and exterior property shall be kept free from rodent harborage and infestations, on the interior or exterior. Where rodents are found, they shall be promptly exterminated by approved processes which will not be injurious to human health. After extermination, proper precautions shall be taken to eliminate rodent harborage and prevent re-infestation.

SECTION 304 - EXTERIOR STRUCTURE

- X **304.12 Handrails and guards** - Every handrail and guard shall be firmly fastened and capable of supporting normally imposed loads and shall be maintained in good condition.
- X **304.5 Foundation Walls** - All foundation walls shall be maintained plumb and free from open cracks and breaks and shall be kept in such condition so as to prevent the entry of rodents and other pests.

- X **304.7 Roofs and Drainage** - The roof and flashing shall be sound, tight and not have defects that admit rain. Roof drainage shall be adequate to prevent dampness or deterioration in the walls or interior portion of the structure. Roof drains, gutters and downspouts shall be maintained in good repair and free from obstructions. Roof water shall not be discharged in a manner that creates a public nuisance.
- X **304.9 Overhang extensions** - All overhang extensions including, but not limited to canopies, marquees, signs, metal awnings, fire escapes, standpipes and exhaust ducts shall be maintained in good repair and be properly anchored so as to be kept in a sound condition. When required, all exposed surfaces of metal or wood shall be protected from the elements and against decay or rust by periodic application of weather-coating materials, such as paint or similar treatment.
- X **304.13.1 Glazing & 304.13.2, 304.18.2 Windows** - All glazing materials shall be maintained free from cracks and holes. Operable windows located in whole or in part within 6 feet above ground level or a walking surface below that provide access to a dwelling unit, rooming unit or housekeeping unit that is rented, leased or let shall be equipped with a window sash locking device. Every window, other than a fixed window, shall be easily openable and capable of being held in position by window hardware.
- X **304.15 Doors & Locks** - All exterior doors, door assemblies and hardware shall be maintained in good condition. Locks at all entrances to dwelling units and sleeping units shall tightly secure the door. Locks on means of egress doors shall be in accordance with Section 702.3. Doors providing access to a dwelling unit, rooming unit or housekeeping unit that is rented, leased or let shall be equipped with a deadbolt lock designed to be readily openable from a side from which egress is to be made without the need for keys, special knowledge or effort and shall have a lock throw of not less than 1 inch. Such deadbolt locks shall be installed according to the manufacturer's specifications and maintained in good working order. For the purpose of this section, sliding bolt shall not be considered an acceptable deadbolt lock.
- X **304.2 Protective Treatment** - All exterior surfaces, including but not limited to, doors, door and window frames, cornices, porches, trim, balconies, decks, and fences shall be maintained in good condition. Exterior wood surfaces, other than decay-resistant woods, shall be protected from the elements and decay by painting or other protective covering or treatment. Peeling, flaking and chipped paint shall be eliminated and surfaces repainted. All siding and masonry joints as well those between the building envelope and the perimeter of windows, doors, and skylights shall be maintained weather resistant and water tight. SECTION 302 - EXTERIOR PROPERTY AREAS

- X **302.1 Sanitation & 308 Rubbish & Garbage** - All exterior property and premises shall be maintained in a clean, safe and sanitary condition. All exterior property and premises, and the interior of every structure, shall be free from any accumulation of rubbish or garbage.
- X **302.2 Grading and Drainage** - All premises shall be graded and maintained to prevent the erosion of soil and to prevent the accumulation of stagnant water thereon, or within any structure located thereon.
- X **302.4 Weeds** - All premises and exterior property shall be maintained free from weeds or plant growth in excess of 10 inches. All noxious weeds shall be prohibited. Weeds shall be defined as all grasses, annual plants and vegetation, other than trees or shrubs provided; however, this term shall not include cultivated flowers and gardens.
- X **302.6 Exhaust Vents** - Pipes, ducts, conductors, fans or blowers shall not discharge gasses, steam, vapor, hot air, grease, smoke, odors or other gaseous or particulate wastes directly upon abutting or adjacent public or private property or that of another tenant.
- X **302.3 Sidewalks and driveways** - All sidewalks, walkways, stairs, driveways, parking spaces and similar areas shall be kept in a proper state of repair, and maintained free from hazardous conditions.
- X **302.5 Rodent Harborage & 309 Pest Elimination** - The owner / occupant shall be responsible to ensure that all structures and exterior property shall be kept free from rodent harborage and infestations, on the interior or exterior. Where rodents are found, they shall be promptly exterminated by approved processes which will not be injurious to human health. After extermination, proper precautions shall be taken to eliminate rodent harborage and prevent re-infestation.

SECTION 304 - EXTERIOR STRUCTURE

- X **304.12 Handrails and guards** - Every handrail and guard shall be firmly fastened and capable of supporting normally imposed loads and shall be maintained in good condition.

-
- X **304.5 Foundation Walls** - All foundation walls shall be maintained plumb and free from open cracks and breaks and shall be kept in such condition so as to prevent the entry of rodents and other pests.
- X **304.7 Roofs and Drainage** - The roof and flashing shall be sound, tight and not have defects that admit rain. Roof drainage shall be adequate to prevent dampness or deterioration in the walls or interior portion of the structure. Roof drains, gutters and downspouts shall be maintained in good repair and free from obstructions. Roof water shall not be discharged in a manner that creates a public nuisance.
- X **304.9 Overhang extensions** - All overhang extensions including, but not limited to canopies, marquees, signs, metal awnings, fire escapes, standpipes and exhaust ducts shall be maintained in good repair and be properly anchored so as to be kept in a sound condition. When required, all exposed surfaces of metal or wood shall be protected from the elements and against decay or rust by periodic application of weather-coating materials, such as paint or similar treatment.
- X **304.13.1 Glazing & 304.13.2, 304.18.2 Windows** - All glazing materials shall be maintained free from cracks and holes. Operable windows located in whole or in part within 6 feet above ground level or a walking surface below that provide access to a dwelling unit, rooming unit or housekeeping unit that is rented, leased or let shall be equipped with a window sash locking device. Every window, other than a fixed window, shall be easily openable and capable of being held in position by window hardware.
- X **304.15 Doors & Locks** - All exterior doors, door assemblies and hardware shall be maintained in good condition. Locks at all entrances to dwelling units and sleeping units shall tightly secure the door. Locks on means of egress doors shall be in accordance with Section 702.3. Doors providing access to a dwelling unit, rooming unit or housekeeping unit that is rented, leased or let shall be equipped with a deadbolt lock designed to be readily openable from a side from which egress is to be made without the need for keys, special knowledge or effort and shall have a lock throw of not less than 1 inch. Such deadbolt locks shall be installed according to the manufacturer's specifications and maintained in good working order. For the purpose of this section, sliding bolt shall not be considered an acceptable deadbolt lock.
- X **304.2 Protective Treatment** - All exterior surfaces, including but not limited to, doors, door and window frames, cornices, porches, trim, balconies, decks, and fences shall be maintained in good condition. Exterior wood surfaces, other than decay-resistant woods, shall be protected from the elements and decay by painting or other protective covering or treatment. Peeling, flaking and chipped paint shall be eliminated and surfaces repainted. All siding and masonry joints as well those between the building envelope and the perimeter of windows, doors, and skylights shall be maintained weather resistant and water tight. All metal surfaces subject to rust or corrosion shall be coated to inhibit such rust and corrosion and all surfaces with rust or corrosion shall be stabilized and coated to inhibit future rust and corrosion. Oxidation stains shall be removed from exterior surfaces. Surfaces designed for stabilization by oxidation are exempt from this requirement. This applies to soils, concrete, aluminum, masonry, steel, or wood that exhibits deterioration, deformation, cracks, fractures and damage.
- X **304.18 & 304.19 Building security - Doors, Windows & Grates** - Doors, windows or hatchways for dwelling units, room units or housekeeping units shall be provided with devices designed to provide security for the occupants and property within.
- X **304.3 Premises Identification** - Buildings shall have approved address numbers placed in a position to be plainly legible and visible from the street or road fronting the property. These numbers shall contrast with their background. Address numbers shall be Arabic numerals or alphabet letters. Numbers shall be a minimum of 4 inches high with a minimum stroke width of 0.5 inch.
- X **304.8 Decorative Features** - All cornices, belt courses, corbels, terracotta trim, wall facings and similar decorative features shall be maintained in good repair with proper anchorage and in a safe condition.
-

-
- X **304.14 Insect Screens** - Every door, window and other outside opening required for ventilation of habitable rooms, food preparation areas, food service areas or any areas where products to be included or utilized in food for human consumption are processed, manufactured, packaged or stored shall be supplied with approved tightly fitting screens of not less than 16 mesh per inch, and every screen door used for insect control shall have a self-closing device in good working condition.
 - X **304.10 Stairways, decks, porches and balconies** - Every exterior stairway, deck, porch and balcony, and all appurtenances attached thereto, shall be maintained structurally sound, in good repair, with proper anchorage and capable of supporting the imposed loads.
 - X **304.4 Structural Members** - All structural members shall be maintained free from deterioration, and shall be capable of safely supporting the imposed dead and live loads.
 - X **304.6 Exterior Walls** - All exterior walls shall be free from holes, breaks, and loose or rotting materials; and maintained weatherproof and properly surface coated where required to prevent deterioration.

SECTION 305 - INTERIOR STRUCTURE

- X **305.4 Stairs and walking surfaces** - Every stair, ramp, landing, balcony, porch, deck or other walking surface shall be maintained in sound condition and good repair.
- X **305.2 Structural members** - All structural members shall be maintained structurally sound, and be capable of supporting the imposed loads.
- X **305.3 Interior surfaces** - All interior surfaces, including windows and doors, shall be maintained in good, clean and sanitary condition. Peeling, chipping, flaking or abraded paint shall be repaired, removed or covered. Cracked or loose plaster, decayed wood and other defective surface conditions shall be corrected

Inspector did not enter the structure, however, based on the current condition of the exterior, it appears that significant work will have to be performed on the interior that may include electrical, plumbing, mechanical and carpentry work by licensed Contractors.

- X **304.6 Exterior Walls** - All exterior walls shall be free from holes, breaks, and loose or rotting materials; and maintained weatherproof and properly surface coated where required to prevent deterioration.
- X **304.14 Insect Screens** - Every door, window and other outside opening required for ventilation of habitable rooms, food preparation areas, food service areas or any areas where products to be included or utilized in food for human consumption are processed, manufactured, packaged or stored shall be supplied with approved tightly fitting screens of not less than 16 mesh per inch, and every screen door used for insect control shall have a self-closing device in good working condition.

SECTION 305 - INTERIOR STRUCTURE

- X **305.4 Stairs and walking surfaces** - Every stair, ramp, landing, balcony, porch, deck or other walking surface shall be maintained in sound condition and good repair.
- X **305.3 Interior surfaces** - All interior surfaces, including windows and doors, shall be maintained in good, clean and sanitary condition. Peeling, chipping, flaking or abraded paint shall be repaired, removed or covered. Cracked or loose plaster, decayed wood and other defective surface conditions shall be corrected
- X **305.2 Structural members** - All structural members shall be maintained structurally sound, and be capable of supporting the imposed loads.

Inspector did not enter the structure, however, based on the current condition of the exterior, it appears that significant work will have to be performed on the interior that may include electrical, plumbing, mechanical and carpentry work by licensed Contractors.

CODE ENFORCEMENT DEFICIENCY ASSESSMENT

DATE:

PROPERTY ADDRESS: 1208 Maryland Ave. Alexandria, LA 71301 CD-15583

OWNER NAME & ADDRESS: Brock Peterman 3019 Dawkins St.
Alexandria, LA 71301

ADDITIONAL OWNERS: N/A

TYPE OF STRUCTURE: Residential Single Family House

This report provides a list of code deficiencies for the structure located at the above stated address. As the Property Owner, you have two options to be executed at your own expense: Demolition or Rehabilitation. In order to be eligible for either option, the Property Owner will need to provide an itemized cost estimate prepared by a State Licensed Contractor and provide three months of current bank statements to show that sufficient funds are readily available to pay for the work.

DEFICIENCY ASSESSMENT:

X **306 Component Serviceability -**

SECTION 302 - EXTERIOR PROPERTY AREAS

- X **302.6 Exhaust Vents** - Pipes, ducts, conductors, fans or blowers shall not discharge gasses, steam, vapor, hot air, grease, smoke, odors or other gaseous or particulate wastes directly upon abutting or adjacent public or private property or that of another tenant.
- X **302.1 Sanitation & 308 Rubbish & Garbage** - All exterior property and premises shall be maintained in a clean, safe and sanitary condition. All exterior property and premises, and the interior of every structure, shall be free from any accumulation of rubbish or garbage.
- X **302.2 Grading and Drainage** - All premises shall be graded and maintained to prevent the erosion of soil and to prevent the accumulation of stagnant water thereon, or within any structure located thereon.
- X **302.4 Weeds** - All premises and exterior property shall be maintained free from weeds or plant growth in excess of 10 inches. All noxious weeds shall be prohibited. Weeds shall be defined as all grasses, annual plants and vegetation, other than trees or shrubs provided; however, this term shall not include cultivated flowers and gardens.
- X **302.3 Sidewalks and driveways** - All sidewalks, walkways, stairs, driveways, parking spaces and similar areas shall be kept in a proper state of repair, and maintained free from hazardous conditions.
- X **302.5 Rodent Harborage & 309 Pest Elimination** - The owner / occupant shall be responsible to ensure that all structures and exterior property shall be kept free from rodent harborage and infestations, on the interior or exterior. Where rodents are found, they shall be promptly exterminated by approved processes which will not be injurious to human health. After extermination, proper precautions shall be taken to eliminate rodent harborage and prevent re-infestation.

SECTION 304 - EXTERIOR STRUCTURE

- X **304.14 Insect Screens** - Every door, window and other outside opening required for ventilation of habitable rooms, food preparation areas, food service areas or any areas where products to be included or utilized in food for human consumption are processed, manufactured, packaged or stored shall be supplied with approved tightly fitting screens of not less than 16 mesh per inch, and every screen door used for insect control shall have a self-closing device in good working condition.
 - X **304.13.1 Glazing & 304.13.2, 304.18.2 Windows** - All glazing materials shall be maintained free from cracks and holes. Operable windows located in whole or in part within 6 feet above ground level or a walking surface below that provide access to a dwelling unit, rooming unit or housekeeping unit that is rented, leased or let shall be equipped with a window sash locking device. Every window, other than a fixed window, shall be easily openable and capable of being held in position by window hardware.
 - X **304.15 Doors & Locks** - All exterior doors, door assemblies and hardware shall be maintained in good condition. Locks at all entrances to dwelling units and sleeping units shall tightly secure the door. Locks on means of egress doors shall be in accordance with Section 702.3. Doors providing access to a dwelling unit, rooming unit or housekeeping unit that is rented, leased or let shall be equipped with a deadbolt lock designed to be readily openable from a side from which egress is to be made without the need for keys, special knowledge or effort and shall have a lock throw of not less than 1 inch. Such deadbolt locks shall be installed according to the manufacturer's specifications and maintained in good working order. For the purpose of this section, sliding bolt shall not be considered an acceptable deadbolt lock.
 - X **304.2 Protective Treatment** - All exterior surfaces, including but not limited to, doors, door and window frames, cornices, porches, trim, balconies, decks, and fences shall be maintained in good condition. Exterior wood surfaces, other than decay-resistant woods, shall be protected from the elements and decay by painting or other protective covering or treatment. Peeling, flaking and chipped paint shall be eliminated and surfaces repainted. All siding and masonry joints as well those between the building envelope and the perimeter of windows, doors, and skylights shall be maintained weather resistant and water tight. All metal surfaces subject to rust or corrosion shall be coated to inhibit such rust and corrosion and all surfaces with rust or corrosion shall be stabilized and coated to inhibit future rust and corrosion. Oxidation stains shall be removed from exterior surfaces. Surfaces designed for stabilization by oxidation are exempt from this requirement. This applies to soils, concrete, aluminum, masonry, steel, or wood that exhibits deterioration, deformation, cracks, fractures and damage.
 - X **304.12 Handrails and guards** - Every handrail and guard shall be firmly fastened and capable of supporting normally imposed loads and shall be maintained in good condition.
 - X **304.5 Foundation Walls** - All foundation walls shall be maintained plumb and free from open cracks and breaks and shall be kept in such condition so as to prevent the entry of rodents and other pests.
 - X **304.7 Roofs and Drainage** - The roof and flashing shall be sound, tight and not have defects that admit rain. Roof drainage shall be adequate to prevent dampness or deterioration in the walls or interior portion of the structure. Roof drains, gutters and downspouts shall be maintained in good repair and free from obstructions. Roof water shall not be discharged in a manner that creates a public nuisance.
 - X **304.9 Overhang extensions** - All overhang extensions including, but not limited to canopies, marquees, signs, metal awnings, fire escapes, standpipes and exhaust ducts shall be maintained in good repair and be properly anchored so as to be kept in a sound condition. When required, all exposed surfaces of metal or wood shall be protected from the elements and against decay or rust by periodic application of weather-coating materials, such as paint or similar treatment.
-

- X **304.10 Stairways, decks, porches and balconies** - Every exterior stairway, deck, porch and balcony, and all appurtenances attached thereto, shall be maintained structurally sound, in good repair, with proper anchorage and capable of supporting the imposed loads.
- X **304.4 Structural Members** - All structural members shall be maintained free from deterioration, and shall be capable of safely supporting the imposed dead and live loads.
- X **304.6 Exterior Walls** - All exterior walls shall be free from holes, breaks, and loose or rotting materials; and maintained weatherproof and properly surface coated where required to prevent deterioration.
- X **304.18 & 304.19 Building security - Doors, Windows & Grates** - Doors, windows or hatchways for dwelling units, room units or housekeeping units shall be provided with devices designed to provide security for the occupants and property within.
- X **304.3 Premises Identification** - Buildings shall have approved address numbers placed in a position to be plainly legible and visible from the street or road fronting the property. These numbers shall contrast with their background. Address numbers shall be Arabic numerals or alphabet letters. Numbers shall be a minimum of 4 inches high with a minimum stroke width of 0.5 inch.
- X **304.8 Decorative Features** - All cornices, belt courses, corbels, terracotta trim, wall facings and similar decorative features shall be maintained in good repair with proper anchorage and in a safe condition.

SECTION 305 - INTERIOR STRUCTURE

- X **305.2 Structural members** - All structural members shall be maintained structurally sound, and be capable of supporting the imposed loads.
- X **305.5 and 307.1 Handrails and guards** - Every handrail and guard shall be firmly fastened and capable of supporting normally imposed loads and shall be maintained in good condition. Every exterior and interior flight of stairs having more than four risers shall have a handrail on one side of the stair and every open portion of a stair, landing, balcony, porch, deck, ramp or other walking surface which is more than 30 inches above the floor or grade below shall have guards. Handrails shall not be less than 30 inches high or more than 42 inches high measured vertically above the nosing of the tread or above the finished floor of the landing or walking surfaces. Guards shall not be less than 30 inches height above the floor of the landing, balcony, porch, deck, or ramp or other walking surface.
- X **305.3 Interior surfaces** - All interior surfaces, including windows and doors, shall be maintained in good, clean and sanitary condition. Peeling, chipping, flaking or abraded paint shall be repaired, removed or covered. Cracked or loose plaster, decayed wood and other defective surface conditions shall be corrected
- X **305.6 Interior doors** - Every interior door shall fit reasonably well within its frame and shall be capable of being opened and closed by being properly and securely attached to jambs, headers or tracks as intended by the manufacturer of the attachment hardware.
- X **305.4 Stairs and walking surfaces** - Every stair, ramp, landing, balcony, porch, deck or other walking surface shall be maintained in sound condition and good repair.

Inspector did not enter the structure, however, based on the current condition of the exterior, it appears that significant work will have to be performed on the interior that may include electrical, plumbing, mechanical and carpentry work by licensed Contractors.

- X **304.8 Decorative Features** - All cornices, belt courses, corbels, terracotta trim, wall facings and similar decorative features shall be maintained in good repair with proper anchorage and in a safe condition.
- X **304.10 Stairways, decks, porches and balconies** - Every exterior stairway, deck, porch and balcony, and all appurtenances attached thereto, shall be maintained structurally sound, in good repair, with proper anchorage and capable of supporting the imposed loads.
- X **304.4 Structural Members** - All structural members shall be maintained free from deterioration, and shall be capable of safely supporting the imposed dead and live loads.
- X **304.6 Exterior Walls** - All exterior walls shall be free from holes, breaks, and loose or rotting materials; and maintained weatherproof and properly surface coated where required to prevent deterioration.
- X **304.12 Handrails and guards** - Every handrail and guard shall be firmly fastened and capable of supporting normally imposed loads and shall be maintained in good condition.
- X **304.5 Foundation Walls** - All foundation walls shall be maintained plumb and free from open cracks and breaks and shall be kept in such condition so as to prevent the entry of rodents and other pests.
- X **304.7 Roofs and Drainage** - The roof and flashing shall be sound, tight and not have defects that admit rain. Roof drainage shall be adequate to prevent dampness or deterioration in the walls or interior portion of the structure. Roof drains, gutters and downspouts shall be maintained in good repair and free from obstructions. Roof water shall not be discharged in a manner that creates a public nuisance.
- X **304.9 Overhang extensions** - All overhang extensions including, but not limited to canopies, marquees, signs, metal awnings, fire escapes, standpipes and exhaust ducts shall be maintained in good repair and be properly anchored so as to be kept in a sound condition. When required, all exposed surfaces of metal or wood shall be protected from the elements and against decay or rust by periodic application of weather-coating materials, such as paint or similar treatment.
- X **304.14 Insect Screens** - Every door, window and other outside opening required for ventilation of habitable rooms, food preparation areas, food service areas or any areas where products to be included or utilized in food for human consumption are processed, manufactured, packaged or stored shall be supplied with approved tightly fitting screens of not less than 16 mesh per inch, and every screen door used for insect control shall have a self-closing device in good working condition.

- X **702 & 702.4 Means of Egress & Emergency Escape Openings** - Required emergency escape openings shall be maintained in accordance with the code in effect at the time of construction, and the following. Required emergency escape and rescue openings shall be operational from the inside of the room without the use of keys or tools. Bars, grilles, grates or similar devices are permitted to be placed over emergency escape and rescue openings provided the minimum net clear opening size complies with the code that was in effect at the time of construction and such devices shall be releasable or removable from the inside without the use of a key, tool or force greater than that which is required from normal operation of the escape and rescue opening.
- X **304.13.1 Glazing & 304.13.2, 304.18.2 Windows** - All glazing materials shall be maintained free from cracks and holes. Operable windows located in whole or in part within 6 feet above ground level or a walking surface below that provide access to a dwelling unit, rooming unit or housekeeping unit that is rented, leased or let shall be equipped with a window sash locking device. Every window, other than a fixed window, shall be easily openable and capable of being held in position by window hardware.
- X **304.15 Doors & Locks** - All exterior doors, door assemblies and hardware shall be maintained in good condition. Locks at all entrances to dwelling units and sleeping units shall tightly secure the door. Locks on means of egress doors shall be in accordance with Section 702.3. Doors providing access to a dwelling unit, rooming unit or housekeeping unit that is rented, leased or let shall be equipped with a deadbolt lock designed to be readily openable from a side from which egress is to be made without the need for keys, special knowledge or effort and shall have a lock throw of not less than 1 inch. Such deadbolt locks shall be installed according to the manufacturer's specifications and maintained in good working order. For the purpose of this section, sliding bolt shall not be considered an acceptable deadbolt lock.
- X **304.2 Protective Treatment** - All exterior surfaces, including but not limited to, doors, door and window frames, cornices, porches, trim, balconies, decks, and fences shall be maintained in good condition. Exterior wood surfaces, other than decay-resistant woods, shall be protected from the elements and decay by painting or other protective covering or treatment. Peeling, flaking and chipped paint shall be eliminated and surfaces repainted. All siding and masonry joints as well those between the building envelope and the perimeter of windows, doors, and skylights shall be maintained weather resistant and water tight. All metal surfaces subject to rust or corrosion shall be coated to inhibit such rust and corrosion and all surfaces with rust or corrosion shall be stabilized and coated to inhibit future rust and corrosion. Oxidation stains shall be removed from exterior surfaces. Surfaces designed for stabilization by oxidation are exempt from this requirement. This applies to soils, concrete, aluminum, masonry, steel, or wood that exhibits deterioration, deformation, cracks, fractures and damage.

SECTION 305 - INTERIOR STRUCTURE

- X **305.3 Interior surfaces** - All interior surfaces, including windows and doors, shall be maintained in good, clean and sanitary condition. Peeling, chipping, flaking or abraded paint shall be repaired, removed or covered. Cracked or loose plaster, decayed wood and other defective surface conditions shall be corrected.
- X **305.6 Interior doors** - Every interior door shall fit reasonably well within its frame and shall be capable of being opened and closed by being properly and securely attached to jambs, headers or tracks as intended by the manufacturer of the attachment hardware.
- X **305.4 Stairs and walking surfaces** - Every stair, ramp, landing, balcony, porch, deck or other walking surface shall be maintained in sound condition and good repair.

- X **305.5 and 307.1 Handrails and guards** - Every handrail and guard shall be firmly fastened and capable of supporting normally imposed loads and shall be maintained in good condition. Every exterior and interior flight of stairs having more than four risers shall have a handrail on one side of the stair and every open portion of a stair, landing, balcony, porch, deck, ramp or other walking surface which is more than 30 inches above the floor or grade below shall have guards. Handrails shall not be less than 30 inches high or more than 42 inches high measured vertically above the nosing of the tread or above the finished floor of the landing or walking surfaces. Guards shall not be less than 30 inches height above the floor of the landing, balcony, porch, deck, or ramp or other walking surface.
- X **305.2 Structural members** - All structural members shall be maintained structurally sound, and be capable of supporting the imposed loads.

SECTION 402 - LIGHT

- X **402.3 Other Spaces Light** - All other spaces shall be provided with natural or artificial light sufficient to permit the maintenance of sanitary conditions, and the safe occupancy of the space and utilization of the appliances, equipment and fixtures.
- X **402.2 Common Halls and Stairways Light** - Every common hall and stairway in residential occupancies, other than in one- and two- family dwellings, shall be lighted at all times with at least a 60-watt standard incandescent light bulb for each 200 square feet of floor area or equivalent illumination, provided that the spacing between lights shall not be greater than 30 feet. In other than residential occupancies, means of illumination at all times the building space served by the means of egress is occupied with a minimum of 1 footcandle (11 lux) at floors, landings and treads.
- X **402.1 Habitable Spaces Light** - Every habitable space shall have at least one window of approved size facing directly to the outdoors. The minimum total glazed area for every habitable space shall be 8 percent of the floor area of such room. Wherever walls or other portions of a structure face a window of any room and such obstructions are located less than 3 feet (914mm) from the window and extend to a level above that of the ceiling of the room such window shall not be deemed to face directly to the outdoors nor to a court and shall not be included as contributing to the required minimum total window area for the room.

SECTION 403 - VENTILATION

- X **403.5 Clothes Dryer Exhaust Ventilation** - Clothes dryer exhaust systems shall be independent of all other systems and shall be exhausted in accordance with the manufacturer's instructions.
- X **403.2 Bathrooms and Toilet Rooms Ventilation** - Every bathroom and toilet room shall comply with the ventilation requirements for habitable spaces as required by Section 403.1, except that a window shall not be required in such spaces equipped with a mechanical ventilation system. Air exhausted by a mechanical ventilation system from a bathroom or toilet room shall discharge to the outdoors and shall not be recirculated
- X **403.1 Habitable Spaces Ventilation** - Every habitable space shall have at least one openable window. The total openable area of the window in every room shall be equal to at least 45 percent of the minimum glazed area required in Section 402.1.

SECTION 404 - OCCUPANCY LIMITATIONS

- X **404.5 Overcrowding** - The number of persons occupying a dwelling unit shall not create conditions that, in the opinion of the Housing Inspector, endanger the life, health, safety or welfare of the occupants.
- X **404.4.4 Prohibited Occupancy** - Kitchens and non-habitable spaces shall not be used for sleeping purposes.
- X **404.7 Food Preparation** - All spaces to be occupied for food preparation purposes shall contain suitable space and equipment to store, prepare and serve foods in a sanitary manner. There shall be adequate facilities and services for the sanitary disposal of food wastes and refuse, including facilities for temporary storage.

SECTION 502 - REQUIRED FACILITIES

- X **502.1 Minimum one tub / shower, one lavatory, one toilet & one kitchen sink** - Every dwelling unit shall contain its own bathtub or shower, lavatory, water closet and kitchen sink which shall be maintained in a sanitary, safe working condition. The lavatory shall be placed in the same room as the water closet or located in close proximity to the door leading directly into the room in which such water closet is located. A kitchen sink shall not be used as a substitute for the required lavatory.

SECTION 503 - TOILET ROOMS

- X **503.1 & 503.3 Toilet Room Privacy & Location** - Bathrooms shall provide privacy and shall not constitute the only passageway to a hall or other space, or to the exterior. A door and interior locking device shall be provided for all common or shared bathrooms in a multiple dwelling.

SECTION 504 - PLUMBING SYSTEMS AND FIXTURES

- X **504.1 & 504.2 Fixtures in functional condition and adequate clearances** - All plumbing fixtures shall be properly installed and maintained in working order, and shall be kept free from obstructions, leaks and defects and be capable of performing the function for which such plumbing fixtures are designed. All plumbing fixtures shall be maintained in a safe, sanitary and functional condition. Plumbing fixtures shall have adequate clearance for usage and cleaning.
- X **504.3 Plumbing System Hazards** - Where it is found that a plumbing system in a structure constitutes a hazard to the occupants or the structure by reason of inadequate service, inadequate venting, cross connection, back-siphonage, improper installation, deterioration or damage or for similar reasons, the code official shall require the defects to be corrected to eliminate the hazard.

SECTION 505 - WATER SYSTEM

- X **505.2 Water Supply and Contamination** - The water supply system shall be installed and maintained to provide a supply of water to plumbing fixtures, devices and appurtenances in sufficient volume and at pressures adequate to enable the fixtures to function properly, safely, and free from defects and leaks. The water supply shall be maintained free from contamination, and all water inlets for plumbing fixtures shall be located above the flood-level rim of the fixture. Hose bibs or faucets to which hoses are attached and left in place, shall be protected by an approved atmospheric-type vacuum breaker or an approved permanently attached hose connection vacuum breaker.
- X **505.1 Hot and Cold Water Available with Potable Drinking Water** - Every sink, lavatory, bathtub or shower, drinking fountain, water closet or other plumbing fixture shall be properly connected to either a public water system or to an approved private water system. All kitchen sinks, lavatories, laundry facilities, bathtubs and showers shall be supplied with hot or tempered and cold running water in accordance with the current adopted edition of the International Plumbing Code. There shall be a means of potable drinking water on premises.
- X **505.4 Water Heating Facilities** - Water heating facilities shall be properly installed, maintained and capable of providing an adequate amount of water to be drawn at every required sink, lavatory, bathtub, shower and laundry facility at a temperature of not less than 110F (43C). A gas-burning water heater shall not be located in any bathroom, toilet room, bedroom or other occupied room normally kept closed, unless adequate combustion air is provided. An approved combination temperature and pressure-relief valve and relief valve discharge pipe shall be properly installed and maintained on water heaters.

SECTION 506 - SANITARY DRAINAGE SYSTEM

- X **506.1 Sanitary Drainage System** - All plumbing fixtures shall be properly connected to either a public sewer system or to an approved private sewage disposal system. Every plumbing stack, vent, waste and sewer line shall function properly and be kept free from obstructions, leaks and defects.

SECTION 507 - STORM DRAINAGE

- X **507.1 General Storm Drain System** - Drainage of roofs and paved areas, yards and courts, and other open areas on the premises shall not be discharged in a manner that creates a public nuisance.

SECTION 603 - MECHANICAL EQUIPMENT

- X **603.3 Clearances & 603.4 Safety controls** - All required clearances to combustible materials shall be maintained. All safety controls for fuel-burning equipment shall be maintained in effective operation.
- X **603.5 Combustion air** - A supply of air for complete combustion of the fuel for ventilation of the space containing the fuel-burning equipment shall be provided for the fuel-burning equipment.
- X **603.2 Removal of combustion products** - All fuel-burning equipment and appliances shall be connected to an approved chimney or vent. Exception: Fuel-burning equipment and appliances which are labeled for unvented operation.
- X **607.1 General Duct Systems (ADD)** - Duct systems shall be maintained free of obstruction and shall be capable of performing the required function.
- X **603.1 Mechanical appliances** - All mechanical appliances, fireplaces, solid fuel-burning appliances, cooking appliances and water heating appliances shall be properly installed and maintained in a safe working condition, and shall be capable of performing the intended function.

SECTION 604 - ELECTRICAL FACILITIES & 605 ELECTRICAL EQUIPMENT

- X **605.2 Receptacles** - Every habitable space in a dwelling shall contain at least two separate and remote receptacle outlets. Every laundry area shall contain at least one grounded-type receptacle or a receptacle with a ground fault circuit interrupter. Every bathroom shall contain at least one receptacle. Any new bathroom receptacle outlet shall have ground fault circuit interrupter protection.
- X **604.1 Facilities required & 605.1 Installation Electrical Systems** - Every occupied building shall be provided with an electrical system in compliance with the requirements of this section and Section 605. All electrical equipment, wiring and appliances shall be properly installed and maintained in a safe and approved manner.
- X **605.3 Luminaires** - Every public hall, interior stairway, toilet room, kitchen, bathroom, laundry room, boiler room and furnace room shall contain at least one electric luminaire.
- X **604.2 Service Electrical** - The size and usage of appliances and equipment shall serve as a basis for determining the need for additional facilities in accordance with the ICC Electrical Code. Dwelling units shall be served by a three-wire 120/240 volt, single phase electrical service having a rating of not less than 100 amperes.
- X **604.3 Electrical system hazards** - Where it is found that the electrical system in a structure constitutes a hazard to the occupants or the structure by reason of inadequate service, improper fusing, insufficient receptacle and lighting outlets, improper wiring or installation, deterioration or damage or for similar reasons, the code official shall require the defects to be corrected to eliminate the hazard. This includes electrical equipment exposed to water and/or fire.

SECTION 703 - FIRE-RESISTANCE RATINGS

- X **703.2 Opening protectives** - Required opening protectives shall be maintained in an operative condition. All fire and smokestop doors shall be maintained in operable condition. Fire doors and smoke barrier doors shall not be blocked or obstructed or otherwise made inoperable.
- X **703.1 Fire-resistance-rated assemblies** - Required fire-resistance rating of fire-resistance-rated walls, fire stops, shaft enclosures, partitions and floors shall be maintained.
-

SECTION 704 - FIRE PROTECTION SYSTEMS

- X **704.2 Smoke Alarms & Required Locations** - Single or multiple-station smoke alarms shall be installed and maintained in Groups R-2, R-3, R-4 and in dwellings not regulated in Group R occupancies, regardless of occupant load at all of the following locations: 1. On the ceiling or wall outside of each separate sleeping area in the immediate vicinity of bedrooms.; 2. In each room used for sleeping purposes.; 3. In each story within a dwelling unit, but not including crawl spaces and uninhabitable attics. In dwellings or dwelling units with split levels and without an intervening door between the adjacent levels, a smoke alarm installed on the upper level shall suffice for the adjacent lower level provided that the lower level is less than one full story below the upper level. Single or multiple-station smoke alarms shall be installed in other groups in accordance with the International Fire Code.
- X **NEC 704.3 Power source Batter Back-up and Direct Wire** - Single-station smoke alarms shall receive their primary power from the building wiring provided that such wiring is served from a commercial source and shall be equipped with a battery backup. Smoke alarms shall emit a signal when the batteries are low. Wiring shall be permanent and without a disconnecting switch other than as required for overcurrent protection. Exception: Smoke alarms are permitted to be solely battery operated in buildings where no construction is taking place, buildings that are not served from a commercial power source and in existing areas of buildings undergoing alteration or repairs that do not result in the removal of interior wall or ceiling finishes exposing the structure, unless there is an attic, crawl space or basement available which could provide access for building wiring without the removal of interior finishes.
- X **IRC 309.5 Carbon Monoxide Alarms** - Carbon monoxide alarms shall be installed outside of sleeping areas if the house has fuel-fired appliances. Carbon monoxide alarms shall also be installed when garages are attached to the dwelling unit.

Inspector did not enter the structure, however, based on the current condition of the exterior, it appears that significant work will have to be performed on the interior that may include electrical, plumbing, mechanical and carpentry work by licensed Contractors.

CODE ENFORCEMENT DEFICIENCY ASSESSMENT

DATE:

PROPERTY ADDRESS: 1518 Shirland Ave Alexandria, LA 71301 10686

OWNER NAME & ADDRESS: Leotina Dauzat 3160 Military Hwy
Pineville, LA 71360

ADDITIONAL OWNERS: Felicia Dauzat 6155 Third St.
Alexandria, LA 71301

TYPE OF STRUCTURE: Residential Single Family House

This report provides a list of code deficiencies for the structure located at the above stated address. As the Property Owner, you have two options to be executed at your own expense: Demolition or Rehabilitation. In order to be eligible for either option, the Property Owner will need to provide an itemized cost estimate prepared by a State Licensed Contractor and provide three months of current bank statements to show that sufficient funds are readily available to pay for the work.

DEFICIENCY ASSESSMENT:

X **306 Component Serviceability -**

SECTION 302 - EXTERIOR PROPERTY AREAS

- X **302.3 Sidewalks and driveways** - All sidewalks, walkways, stairs, driveways, parking spaces and similar areas shall be kept in a proper state of repair, and maintained free from hazardous conditions.
- X **302.5 Rodent Harborage & 309 Pest Elimination** - The owner / occupant shall be responsible to ensure that all structures and exterior property shall be kept free from rodent harborage and infestations, on the interior or exterior. Where rodents are found, they shall be promptly exterminated by approved processes which will not be injurious to human health. After extermination, proper precautions shall be taken to eliminate rodent harborage and prevent re-infestation.
- X **302.1 Sanitation & 308 Rubbish & Garbage** - All exterior property and premises shall be maintained in a clean, safe and sanitary condition. All exterior property and premises, and the interior of every structure, shall be free from any accumulation of rubbish or garbage.
- X **302.2 Grading and Drainage** - All premises shall be graded and maintained to prevent the erosion of soil and to prevent the accumulation of stagnant water thereon, or within any structure located thereon.
- X **302.4 Weeds** - All premises and exterior property shall be maintained free from weeds or plant growth in excess of 10 inches. All noxious weeds shall be prohibited. Weeds shall be defined as all grasses, annual plants and vegetation, other than trees or shrubs provided; however, this term shall not include cultivated flowers and gardens.
- X **302.6 Exhaust Vents** - Pipes, ducts, conductors, fans or blowers shall not discharge gasses, steam, vapor, hot air, grease, smoke, odors or other gaseous or particulate wastes directly upon abutting or adjacent public or private property or that of another tenant.

SECTION 304 - EXTERIOR STRUCTURE

- X **304.18 & 304.19 Building security - Doors, Windows & Grates** - Doors, windows or hatchways for dwelling units, room units or housekeeping units shall be provided with devices designed to provide security for the occupants and property within.

- X **304.3 Premises Identification** - Buildings shall have approved address numbers placed in a position to be plainly legible and visible from the street or road fronting the property. These numbers shall contrast with their background. Address numbers shall be Arabic numerals or alphabet letters. Numbers shall be a minimum of 4 inches high with a minimum stroke width of 0.5 inch.
- X **304.8 Decorative Features** - All cornices, belt courses, corbels, terracotta trim, wall facings and similar decorative features shall be maintained in good repair with proper anchorage and in a safe condition.
- X **304.12 Handrails and guards** - Every handrail and guard shall be firmly fastened and capable of supporting normally imposed loads and shall be maintained in good condition.
- X **304.5 Foundation Walls** - All foundation walls shall be maintained plumb and free from open cracks and breaks and shall be kept in such condition so as to prevent the entry of rodents and other pests.
- X **304.7 Roofs and Drainage** - The roof and flashing shall be sound, tight and not have defects that admit rain. Roof drainage shall be adequate to prevent dampness or deterioration in the walls or interior portion of the structure. Roof drains, gutters and downspouts shall be maintained in good repair and free from obstructions. Roof water shall not be discharged in a manner that creates a public nuisance.
- X **304.9 Overhang extensions** - All overhang extensions including, but not limited to canopies, marquees, signs, metal awnings, fire escapes, standpipes and exhaust ducts shall be maintained in good repair and be properly anchored so as to be kept in a sound condition. When required, all exposed surfaces of metal or wood shall be protected from the elements and against decay or rust by periodic application of weather-coating materials, such as paint or similar treatment.
- X **304.13.1 Glazing & 304.13.2, 304.18.2 Windows** - All glazing materials shall be maintained free from cracks and holes. Operable windows located in whole or in part within 6 feet above ground level or a walking surface below that provide access to a dwelling unit, rooming unit or housekeeping unit that is rented, leased or let shall be equipped with a window sash locking device. Every window, other than a fixed window, shall be easily openable and capable of being held in position by window hardware.
- X **304.15 Doors & Locks** - All exterior doors, door assemblies and hardware shall be maintained in good condition. Locks at all entrances to dwelling units and sleeping units shall tightly secure the door. Locks on means of egress doors shall be in accordance with Section 702.3. Doors providing access to a dwelling unit, rooming unit or housekeeping unit that is rented, leased or let shall be equipped with a deadbolt lock designed to be readily openable from a side from which egress is to be made without the need for keys, special knowledge or effort and shall have a lock throw of not less than 1 inch. Such deadbolt locks shall be installed according to the manufacturer's specifications and maintained in good working order. For the purpose of this section, sliding bolt shall not be considered an acceptable deadbolt lock.
- X **304.2 Protective Treatment** - All exterior surfaces, including but not limited to, doors, door and window frames, cornices, porches, trim, balconies, decks, and fences shall be maintained in good condition. Exterior wood surfaces, other than decay-resistant woods, shall be protected from the elements and decay by painting or other protective covering or treatment. Peeling, flaking and chipped paint shall be eliminated and surfaces repainted. All siding and masonry joints as well those between the building envelope and the perimeter of windows, doors, and skylights shall be maintained weather resistant and water tight. All metal surfaces subject to rust or corrosion shall be coated to inhibit such rust and corrosion and all surfaces with rust or corrosion shall be stabilized and coated to inhibit future rust and corrosion. Oxidation stains shall be removed from exterior surfaces. Surfaces designed for stabilization by oxidation are exempt from this requirement. This applies to soils, concrete, aluminum, masonry, steel, or wood that exhibits deterioration, deformation, cracks, fractures and damage.
- X **304.14 Insect Screens** - Every door, window and other outside opening required for ventilation of habitable rooms, food preparation areas, food service areas or any areas where products to be included or utilized in food for human consumption are processed, manufactured, packaged or stored shall be supplied with approved tightly fitting screens of not less than 16 mesh per inch, and every screen door used for insect control shall have a self-closing device in good working condition.

- X **304.10 Stairways, decks, porches and balconies** - Every exterior stairway, deck, porch and balcony, and all appurtenances attached thereto, shall be maintained structurally sound, in good repair, with proper anchorage and capable of supporting the imposed loads.
- X **304.4 Structural Members** - All structural members shall be maintained free from deterioration, and shall be capable of safely supporting the imposed dead and live loads.
- X **304.6 Exterior Walls** - All exterior walls shall be free from holes, breaks, and loose or rotting materials; and maintained weatherproof and properly surface coated where required to prevent deterioration.

SECTION 305 - INTERIOR STRUCTURE

- X **305.4 Stairs and walking surfaces** - Every stair, ramp, landing, balcony, porch, deck or other walking surface shall be maintained in sound condition and good repair.
- X **305.2 Structural members** - All structural members shall be maintained structurally sound, and be capable of supporting the imposed loads.
- X **305.3 Interior surfaces** - All interior surfaces, including windows and doors, shall be maintained in good, clean and sanitary condition. Peeling, chipping, flaking or abraded paint shall be repaired, removed or covered. Cracked or loose plaster, decayed wood and other defective surface conditions shall be corrected
- X **305.6 Interior doors** - Every interior door shall fit reasonably well within its frame and shall be capable of being opened and closed by being properly and securely attached to jambs, headers or tracks as intended by the manufacturer of the attachment hardware.

Inspector did not enter the structure, however, based on the current condition of the exterior, it appears that significant work will have to be performed on the interior that may include electrical, plumbing, mechanical and carpentry work by licensed Contractors.

- X **304.6 Exterior Walls** - All exterior walls shall be free from holes, breaks, and loose or rotting materials; and maintained weatherproof and properly surface coated where required to prevent deterioration.
- X **304.5 Foundation Walls** - All foundation walls shall be maintained plumb and free from open cracks and breaks and shall be kept in such condition so as to prevent the entry of rodents and other pests.
- X **304.7 Roofs and Drainage** - The roof and flashing shall be sound, tight and not have defects that admit rain. Roof drainage shall be adequate to prevent dampness or deterioration in the walls or interior portion of the structure. Roof drains, gutters and downspouts shall be maintained in good repair and free from obstructions. Roof water shall not be discharged in a manner that creates a public nuisance.

-
- X **304.9 Overhang extensions** - All overhang extensions including, but not limited to canopies, marquees, signs, metal awnings, fire escapes, standpipes and exhaust ducts shall be maintained in good repair and be properly anchored so as to be kept in a sound condition. When required, all exposed surfaces of metal or wood shall be protected from the elements and against decay or rust by periodic application of weather-coating materials, such as paint or similar treatment.

SECTION 305 - INTERIOR STRUCTURE

- X **305.3 Interior surfaces** - All interior surfaces, including windows and doors, shall be maintained in good, clean and sanitary condition. Peeling, chipping, flaking or abraded paint shall be repaired, removed or covered. Cracked or loose plaster, decayed wood and other defective surface conditions shall be corrected
- X **305.6 Interior doors** - Every interior door shall fit reasonably well within its frame and shall be capable of being opened and closed by being properly and securely attached to jambs, headers or tracks as intended by the manufacturer of the attachment hardware.
- X **305.2 Structural members** - All structural members shall be maintained structurally sound, and be capable of supporting the imposed loads.
- X **305.4 Stairs and walking surfaces** - Every stair, ramp, landing, balcony, porch, deck or other walking surface shall be maintained in sound condition and good repair.
-

Inspector did not enter the structure, however, based on the current condition of the exterior, it appears that significant work will have to be performed on the interior that may include electrical, plumbing, mechanical and carpentry work by licensed Contractors.

CODE ENFORCEMENT DEFICIENCY ASSESSMENT

DATE:

PROPERTY ADDRESS: 1009 South St. Alexandria, LA 71301 CD-14746

OWNER NAME & ADDRESS: Jules Brydels c/o Tina Brydels
PO Box 8172
Alexandria, LA 71306

ADDITIONAL OWNERS: N/A

TYPE OF STRUCTURE: Residential Single Family House

This report provides a list of code deficiencies for the structure located at the above stated address. As the Property Owner, you have two options to be executed at your own expense: Demolition or Rehabilitation. In order to be eligible for either option, the Property Owner will need to provide an itemized cost estimate prepared by a State Licensed Contractor and provide three months of current bank statements to show that sufficient funds are readily available to pay for the work.

DEFICIENCY ASSESSMENT:

X **306 Component Serviceability -**

SECTION 302 - EXTERIOR PROPERTY AREAS

- X **302.1 Sanitation & 308 Rubbish & Garbage** - All exterior property and premises shall be maintained in a clean, safe and sanitary condition. All exterior property and premises, and the interior of every structure, shall be free from any accumulation of rubbish or garbage.
- X **302.2 Grading and Drainage** - All premises shall be graded and maintained to prevent the erosion of soil and to prevent the accumulation of stagnant water thereon, or within any structure located thereon.
- X **302.4 Weeds** - All premises and exterior property shall be maintained free from weeds or plant growth in excess of 10 inches. All noxious weeds shall be prohibited. Weeds shall be defined as all grasses, annual plants and vegetation, other than trees or shrubs provided; however, this term shall not include cultivated flowers and gardens.
- X **302.6 Exhaust Vents** - Pipes, ducts, conductors, fans or blowers shall not discharge gasses, steam, vapor, hot air, grease, smoke, odors or other gaseous or particulate wastes directly upon abutting or adjacent public or private property or that of another tenant.
- X **302.3 Sidewalks and driveways** - All sidewalks, walkways, stairs, driveways, parking spaces and similar areas shall be kept in a proper state of repair, and maintained free from hazardous conditions.
- X **302.5 Rodent Harborage & 309 Pest Elimination** - The owner / occupant shall be responsible to ensure that all structures and exterior property shall be kept free from rodent harborage and infestations, on the interior or exterior. Where rodents are found, they shall be promptly exterminated by approved processes which will not be injurious to human health. After extermination, proper precautions shall be taken to eliminate rodent harborage and prevent re-infestation.

SECTION 304 - EXTERIOR STRUCTURE

- X **304.12 Handrails and guards** - Every handrail and guard shall be firmly fastened and capable of supporting normally imposed loads and shall be maintained in good condition.
- X **304.5 Foundation Walls** - All foundation walls shall be maintained plumb and free from open cracks and breaks and shall be kept in such condition so as to prevent the entry of rodents and other pests.

- X **304.7 Roofs and Drainage** - The roof and flashing shall be sound, tight and not have defects that admit rain. Roof drainage shall be adequate to prevent dampness or deterioration in the walls or interior portion of the structure. Roof drains, gutters and downspouts shall be maintained in good repair and free from obstructions. Roof water shall not be discharged in a manner that creates a public nuisance.
- X **304.9 Overhang extensions** - All overhang extensions including, but not limited to canopies, marquees, signs, metal awnings, fire escapes, standpipes and exhaust ducts shall be maintained in good repair and be properly anchored so as to be kept in a sound condition. When required, all exposed surfaces of metal or wood shall be protected from the elements and against decay or rust by periodic application of weather-coating materials, such as paint or similar treatment.
- X **304.13.1 Glazing & 304.13.2, 304.18.2 Windows** - All glazing materials shall be maintained free from cracks and holes. Operable windows located in whole or in part within 6 feet above ground level or a walking surface below that provide access to a dwelling unit, rooming unit or housekeeping unit that is rented, leased or let shall be equipped with a window sash locking device. Every window, other than a fixed window, shall be easily openable and capable of being held in position by window hardware.
- X **304.15 Doors & Locks** - All exterior doors, door assemblies and hardware shall be maintained in good condition. Locks at all entrances to dwelling units and sleeping units shall tightly secure the door. Locks on means of egress doors shall be in accordance with Section 702.3. Doors providing access to a dwelling unit, rooming unit or housekeeping unit that is rented, leased or let shall be equipped with a deadbolt lock designed to be readily openable from a side from which egress is to be made without the need for keys, special knowledge or effort and shall have a lock throw of not less than 1 inch. Such deadbolt locks shall be installed according to the manufacturer's specifications and maintained in good working order. For the purpose of this section, sliding bolt shall not be considered an acceptable deadbolt lock.
- X **304.2 Protective Treatment** - All exterior surfaces, including but not limited to, doors, door and window frames, cornices, porches, trim, balconies, decks, and fences shall be maintained in good condition. Exterior wood surfaces, other than decay-resistant woods, shall be protected from the elements and decay by painting or other protective covering or treatment. Peeling, flaking and chipped paint shall be eliminated and surfaces repainted. All siding and masonry joints as well those between the building envelope and the perimeter of windows, doors, and skylights shall be maintained weather resistant and water tight. All metal surfaces subject to rust or corrosion shall be coated to inhibit such rust and corrosion and all surfaces with rust or corrosion shall be stabilized and coated to inhibit future rust and corrosion. Oxidation stains shall be removed from exterior surfaces. Surfaces designed for stabilization by oxidation are exempt from this requirement. This applies to soils, concrete, aluminum, masonry, steel, or wood that exhibits deterioration, deformation, cracks, fractures and damage.
- X **304.14 Insect Screens** - Every door, window and other outside opening required for ventilation of habitable rooms, food preparation areas, food service areas or any areas where products to be included or utilized in food for human consumption are processed, manufactured, packaged or stored shall be supplied with approved tightly fitting screens of not less than 16 mesh per inch, and every screen door used for insect control shall have a self-closing device in good working condition.
- X **304.10 Stairways, decks, porches and balconies** - Every exterior stairway, deck, porch and balcony, and all appurtenances attached thereto, shall be maintained structurally sound, in good repair, with proper anchorage and capable of supporting the imposed loads.
- X **304.4 Structural Members** - All structural members shall be maintained free from deterioration, and shall be capable of safely supporting the imposed dead and live loads.
- X **304.6 Exterior Walls** - All exterior walls shall be free from holes, breaks, and loose or rotting materials; and maintained weatherproof and properly surface coated where required to prevent deterioration.
- X **304.18 & 304.19 Building security - Doors, Windows & Grates** - Doors, windows or hatchways for dwelling units, room units or housekeeping units shall be provided with devices designed to provide security for the occupants and property within.

- X **304.3 Premises Identification** - Buildings shall have approved address numbers placed in a position to be plainly legible and visible from the street or road fronting the property. These numbers shall contrast with their background. Address numbers shall be Arabic numerals or alphabet letters. Numbers shall be a minimum of 4 inches high with a minimum stroke width of 0.5 inch.
- X **304.8 Decorative Features** - All cornices, belt courses, corbels, terracotta trim, wall facings and similar decorative features shall be maintained in good repair with proper anchorage and in a safe condition.

SECTION 305 - INTERIOR STRUCTURE

- X **305.3 Interior surfaces** - All interior surfaces, including windows and doors, shall be maintained in good, clean and sanitary condition. Peeling, chipping, flaking or abraded paint shall be repaired, removed or covered. Cracked or loose plaster, decayed wood and other defective surface conditions shall be corrected
- X **305.6 Interior doors** - Every interior door shall fit reasonably well within its frame and shall be capable of being opened and closed by being properly and securely attached to jambs, headers or tracks as intended by the manufacturer of the attachment hardware.
- X **305.2 Structural members** - All structural members shall be maintained structurally sound, and be capable of supporting the imposed loads.
- X **305.4 Stairs and walking surfaces** - Every stair, ramp, landing, balcony, porch, deck or other walking surface shall be maintained in sound condition and good repair.

Inspector did not enter the structure, however, based on the current condition of the exterior, it appears that significant work will have to be performed on the interior that may include electrical, plumbing, mechanical and carpentry work by licensed Contractors.

Doors providing access to a dwelling unit, rooming unit or housekeeping unit that is rented, leased or let shall be equipped with a deadbolt lock designed to be readily openable from a side from which egress is to be made without the need for keys, special knowledge or effort and shall have a lock throw of not less than 1 inch. Such deadbolt locks shall be installed according to the manufacturer's specifications and maintained in good working order. For the purpose of this section, sliding bolt shall not be considered an acceptable deadbolt lock.
- X **304.2 Protective Treatment** - All exterior surfaces, including but not limited to, doors, door and window frames, cornices, porches, trim, balconies, decks, and fences shall be maintained in good condition. Exterior wood surfaces, other than decay-resistant woods, shall be protected from the elements and decay by painting or other protective covering or treatment. Peeling, flaking and chipped paint shall be eliminated and surfaces repainted. All siding and masonry joints as well those between the building envelope and the perimeter of windows, doors, and skylights shall be maintained weather resistant and water tight. All metal surfaces subject to rust or corrosion shall be coated to inhibit such rust and corrosion and all surfaces with rust or corrosion shall be stabilized and coated to inhibit future rust and corrosion. Oxidation stains shall be removed from exterior surfaces. Surfaces designed for stabilization by oxidation are exempt from this requirement. This applies to soils, concrete, aluminum, masonry, steel, or wood that exhibits deterioration, deformation, cracks, fractures and damage.
- X **304.10 Stairways, decks, porches and balconies** - Every exterior stairway, deck, porch and balcony, and all appurtenances attached thereto, shall be maintained structurally sound, in good repair, with proper anchorage and capable of supporting the imposed loads.
- X **304.4 Structural Members** - All structural members shall be maintained free from deterioration, and shall be capable of safely supporting the imposed dead and live loads.
-

- X **304.6 Exterior Walls** - All exterior walls shall be free from holes, breaks, and loose or rotting materials; and maintained weatherproof and properly surface coated where required to prevent deterioration.

SECTION 305 - INTERIOR STRUCTURE

- X **305.4 Stairs and walking surfaces** - Every stair, ramp, landing, balcony, porch, deck or other walking surface shall be maintained in sound condition and good repair.
- X **305.6 Interior doors** - Every interior door shall fit reasonably well within its frame and shall be capable of being opened and closed by being properly and securely attached to jambs, headers or tracks as intended by the manufacturer of the attachment hardware.
- X **305.5 and 307.1 Handrails and guards** - Every handrail and guard shall be firmly fastened and capable of supporting normally imposed loads and shall be maintained in good condition. Every exterior and interior flight of stairs having more than four risers shall have a handrail on one side of the stair and every open portion of a stair, landing, balcony, porch, deck, ramp or other walking surface which is more than 30 inches above the floor or grade below shall have guards. Handrails shall not be less than 30 inches high or more than 42 inches high measured vertically above the nosing of the tread or above the finished floor of the landing or walking surfaces. Guards shall not be less than 30 inches height above the floor of the landing, balcony, porch, deck, or ramp or other walking surface.
- X **305.2 Structural members** - All structural members shall be maintained structurally sound, and be capable of supporting the imposed loads.

Inspector did not enter the structure, however, based on the current condition of the exterior, it appears that significant work will have to be performed on the interior that may include electrical, plumbing, mechanical and carpentry work by licensed Contractors.

CODE ENFORCEMENT DEFICIENCY ASSESSMENT

DATE:

PROPERTY ADDRESS: 2227 Webster St. Alexandria, LA 71301 11930

OWNER NAME & ADDRESS: Mary Ann Pantallion 2227 Webster
Alexandria, LA 71301

ADDITIONAL OWNERS: N/A

TYPE OF STRUCTURE: Residential Single Family House

This report provides a list of code deficiencies for the structure located at the above stated address. As the Property Owner, you have two options to be executed at your own expense: Demolition or Rehabilitation. In order to be eligible for either option, the Property Owner will need to provide an itemized cost estimate prepared by a State Licensed Contractor and provide three months of current bank statements to show that sufficient funds are readily available to pay for the work.

DEFICIENCY ASSESSMENT:

X **306 Component Serviceability -**

SECTION 302 - EXTERIOR PROPERTY AREAS

- X **302.1 Sanitation & 308 Rubbish & Garbage** - All exterior property and premises shall be maintained in a clean, safe and sanitary condition. All exterior property and premises, and the interior of every structure, shall be free from any accumulation of rubbish or garbage.
- X **302.2 Grading and Drainage** - All premises shall be graded and maintained to prevent the erosion of soil and to prevent the accumulation of stagnant water thereon, or within any structure located thereon.
- X **302.4 Weeds** - All premises and exterior property shall be maintained free from weeds or plant growth in excess of 10 inches. All noxious weeds shall be prohibited. Weeds shall be defined as all grasses, annual plants and vegetation, other than trees or shrubs provided; however, this term shall not include cultivated flowers and gardens.
- X **302.3 Sidewalks and driveways** - All sidewalks, walkways, stairs, driveways, parking spaces and similar areas shall be kept in a proper state of repair, and maintained free from hazardous conditions.
- X **302.5 Rodent Harborage & 309 Pest Elimination** - The owner / occupant shall be responsible to ensure that all structures and exterior property shall be kept free from rodent harborage and infestations, on the interior or exterior. Where rodents are found, they shall be promptly exterminated by approved processes which will not be injurious to human health. After extermination, proper precautions shall be taken to eliminate rodent harborage and prevent re-infestation.
- X **302.6 Exhaust Vents** - Pipes, ducts, conductors, fans or blowers shall not discharge gasses, steam, vapor, hot air, grease, smoke, odors or other gaseous or particulate wastes directly upon abutting or adjacent public or private property or that of another tenant.
- X **302.9 Defacement of Property** - No person shall willfully or wantonly damage, mutilate or deface any exterior surface or any structure or building on any private or public property by placing thereon any marking, carving or graffiti. It shall be the responsibility of the owner to restore said surface to an approved state of maintenance and repair.

SECTION 304 - EXTERIOR STRUCTURE

- X **304.14 Insect Screens** - Every door, window and other outside opening required for ventilation of habitable rooms, food preparation areas, food service areas or any areas where products to be included or utilized in food for human consumption are processed, manufactured, packaged or stored shall be supplied with approved tightly fitting screens of not less than 16 mesh per inch, and every screen door used for insect control shall have a self-closing device in good working condition.
- X **304.18 & 304.19 Building security - Doors, Windows & Grates** - Doors, windows or hatchways for dwelling units, room units or housekeeping units shall be provided with devices designed to provide security for the occupants and property within.
- X **304.3 Premises Identification** - Buildings shall have approved address numbers placed in a position to be plainly legible and visible from the street or road fronting the property. These numbers shall contrast with their background. Address numbers shall be Arabic numerals or alphabet letters. Numbers shall be a minimum of 4 inches high with a minimum stroke width of 0.5 inch.
- X **304.8 Decorative Features** - All cornices, belt courses, corbels, terracotta trim, wall facings and similar decorative features shall be maintained in good repair with proper anchorage and in a safe condition.
- X **304.12 Handrails and guards** - Every handrail and guard shall be firmly fastened and capable of supporting normally imposed loads and shall be maintained in good condition.
- X **304.5 Foundation Walls** - All foundation walls shall be maintained plumb and free from open cracks and breaks and shall be kept in such condition so as to prevent the entry of rodents and other pests.
- X **304.7 Roofs and Drainage** - The roof and flashing shall be sound, tight and not have defects that admit rain. Roof drainage shall be adequate to prevent dampness or deterioration in the walls or interior portion of the structure. Roof drains, gutters and downspouts shall be maintained in good repair and free from obstructions. Roof water shall not be discharged in a manner that creates a public nuisance.
- X **304.9 Overhang extensions** - All overhang extensions including, but not limited to canopies, marquees, signs, metal awnings, fire escapes, standpipes and exhaust ducts shall be maintained in good repair and be properly anchored so as to be kept in a sound condition. When required, all exposed surfaces of metal or wood shall be protected from the elements and against decay or rust by periodic application of weather-coating materials, such as paint or similar treatment.
- X **304.13.1 Glazing & 304.13.2, 304.18.2 Windows** - All glazing materials shall be maintained free from cracks and holes. Operable windows located in whole or in part within 6 feet above ground level or a walking surface below that provide access to a dwelling unit, rooming unit or housekeeping unit that is rented, leased or let shall be equipped with a window sash locking device. Every window, other than a fixed window, shall be easily openable and capable of being held in position by window hardware.
- X **304.15 Doors & Locks** - All exterior doors, door assemblies and hardware shall be maintained in good condition. Locks at all entrances to dwelling units and sleeping units shall tightly secure the door. Locks on means of egress doors shall be in accordance with Section 702.3. Doors providing access to a dwelling unit, rooming unit or housekeeping unit that is rented, leased or let shall be equipped with a deadbolt lock designed to be readily openable from a side from which egress is to be made without the need for keys, special knowledge or effort and shall have a lock throw of not less than 1 inch. Such deadbolt locks shall be installed according to the manufacturer's specifications and maintained in good working order. For the purpose of this section, sliding bolt shall not be considered an acceptable deadbolt lock.

- X **304.2 Protective Treatment** - All exterior surfaces, including but not limited to, doors, door and window frames, cornices, porches, trim, balconies, decks, and fences shall be maintained in good condition. Exterior wood surfaces, other than decay-resistant woods, shall be protected from the elements and decay by painting or other protective covering or treatment. Peeling, flaking and chipped paint shall be eliminated and surfaces repainted. All siding and masonry joints as well those between the building envelope and the perimeter of windows, doors, and skylights shall be maintained weather resistant and water tight. All metal surfaces subject to rust or corrosion shall be coated to inhibit such rust and corrosion and all surfaces with rust or corrosion shall be stabilized and coated to inhibit future rust and corrosion. Oxidation stains shall be removed from exterior surfaces. Surfaces designed for stabilization by oxidation are exempt from this requirement. This applies to soils, concrete, aluminum, masonry, steel, or wood that exhibits deterioration, deformation, cracks, fractures and damage.
- X **304.10 Stairways, decks, porches and balconies** - Every exterior stairway, deck, porch and balcony, and all appurtenances attached thereto, shall be maintained structurally sound, in good repair, with proper anchorage and capable of supporting the imposed loads.
- X **304.4 Structural Members** - All structural members shall be maintained free from deterioration, and shall be capable of safely supporting the imposed dead and live loads.
- X **304.6 Exterior Walls** - All exterior walls shall be free from holes, breaks, and loose or rotting materials; and maintained weatherproof and properly surface coated where required to prevent deterioration.

SECTION 305 - INTERIOR STRUCTURE

- X **305.5 and 307.1 Handrails and guards** - Every handrail and guard shall be firmly fastened and capable of supporting normally imposed loads and shall be maintained in good condition. Every exterior and interior flight of stairs having more than four risers shall have a handrail on one side of the stair and every open portion of a stair, landing, balcony, porch, deck, ramp or other walking surface which is more than 30 inches above the floor or grade below shall have guards. Handrails shall not be less than 30 inches high or more than 42 inches high measured vertically above the nosing of the tread or above the finished floor of the landing or walking surfaces. Guards shall not be less than 30 inches height above the floor of the landing, balcony, porch, deck, or ramp or other walking surface.
- X **305.4 Stairs and walking surfaces** - Every stair, ramp, landing, balcony, porch, deck or other walking surface shall be maintained in sound condition and good repair.
- X **305.3 Interior surfaces** - All interior surfaces, including windows and doors, shall be maintained in good, clean and sanitary condition. Peeling, chipping, flaking or abraded paint shall be repaired, removed or covered. Cracked or loose plaster, decayed wood and other defective surface conditions shall be corrected
- X **305.6 Interior doors** - Every interior door shall fit reasonably well within its frame and shall be capable of being opened and closed by being properly and securely attached to jambs, headers or tracks as intended by the manufacturer of the attachment hardware.
- X **305.2 Structural members** - All structural members shall be maintained structurally sound, and be capable of supporting the imposed loads.

Inspector did not enter the structure, however, based on the current condition of the exterior, it appears that significant work will have to be performed on the interior that may include electrical, plumbing, mechanical and carpentry work by licensed Contractors.

ORDINANCE NO. 159-2024

AN ORDINANCE AUTHORIZING THE MAYOR TO AWARD THE PROFESSIONAL SERVICES CONTRACT TO PAN AMERICAN ENGINEERS, LLC FOR SLUDGE REMOVAL PROJECT AT THE WASTEWATER TREATMENT PLANT AND OTHER MATTERS WITH RESPECT THERETO.

SECTION I: BE IT ORDAINED by the Council of the City of Alexandria, Louisiana, in legal session convened, that the Council hereby authorizes the mayor to award the Professional Services Contract to Pan American Engineers, LLC for sludge removal project at the Wastewater Treatment Plant.

SECTION II: BE IT FURTHER ORDAINED, etc., that this ordinance shall become effective upon signature by the Mayor; or, if not signed or vetoed by the Mayor, upon expiration of the time for ordinances to become law without signature by the Mayor.

SECTION III: BE IT FURTHER ORDAINED, etc., that if any provision or item of this ordinance or the application thereof is held invalid, such invalidity shall not affect other provisions, items or applications of this ordinance which can be given effect without the invalid provisions, items, or applications, and to this end the provisions of this ordinance or hereby declared severable.

SECTION IV: BE IT FURTHER ORDAINED, etc., that all ordinances or parts of ordinances in conflict herewith are hereby repealed.

THIS ORDINANCE was introduced on the 17th day of September

NOTICE PUBLISHED on the 20th day of September, 2024

THIS ORDINANCE having been submitted in writing, introduced and published, was then submitted to a final vote as a whole, the vote thereon being as follows:

YEAS: Rubin, Villard, Felter, Johnson, Fowler, Washington.

NAYS: None

SECTION 00100

ADVERTISEMENT FOR BIDS

CITY OF ALEXANDRIA, LOUISIANA

SLUDGE REMOVAL AND DISPOSAL SERVICES
WASTEWATER TREATMENT PLANT
(PHASE I)

Separate sealed bids for the SLUDGE REMOVAL AND DISPOSAL SERVICES WASTEWATER TREATMENT PLANT (PHASE I) Project will be received by the City of Alexandria, Louisiana by the City Clerk, at the City Council Office, City Hall, 915 Third Street, Alexandria, Louisiana, 71301 until 10:00 A.M. (Central Time) on Tuesday, August 26, 2025 and then at said office publicly opened and read aloud. Any bid received after the specified time and date will not be considered.

The Instructions to Bidders, Bid Form, Agreement Between Owner and Contractor, Forms of Bid Bond, Performance and Payment Bonds, Drawings and Specifications, and other Contract Documents may be examined at the following location:

PAN AMERICAN ENGINEERS, LLC
(Design Professional)
1717 JACKSON STREET (71301)
P. O. BOX 8599 (71306)
ALEXANDRIA, LOUISIANA
(318) 473-2100

The work to be performed under this contract generally includes hydraulic dredging of the Aerated Lagoon Wastewater Treatment Plant at the City of Alexandria Wastewater Treatment Plant at Hudson Street in Alexandria, to remove sludge, on-site dewatering of sludge with either belt press, centrifuge or other approved methodologies; and hauling of dewatered sludge to off-system landfill.

Copies of the bidding documents shall be obtained from the office of Pan American Engineers, LLC upon deposit of \$150.00 for each set of documents; or from the electronic bid submittal option as noted in the Advertisement. The deposit on the first set of documents furnished to bonafide prime bidders will be fully refunded upon return of the documents, in good condition, no later than ten (10) days after receipt of bids. On other sets of documents furnished to bidders, the deposit less actual cost of reproduction will be refunded upon return of the documents, in good condition, no later than ten (10) days after receipt of bids.

Pursuant to Louisiana Revised Statute (L.R.S.) 38:2212.E.(1), Bidders have the option to secure bidding documents and submit bids electronically. Bidding documents may be secured from Central Bidding. Electronic bids for this project may be submitted through Central Bidding. The Central Bidding web address is www.CentralBidding.com. To register, or for assistance with completing an e-bid, contact Central Bidding at 225-810-4814 or 866-570-9620.

The OWNER reserves the right to reject any or all bids for just cause. Such actions will be in accordance with Title 38 of the L.R.S.

In accordance with L.R.S. 38:2212.B.(1), the provisions and requirements stated in the Bidding Documents shall not be considered as informalities and shall not be waived.

Each Bidder must deposit with the bid, security in the amount of at least five percent (5%) of the total bid price, as described in the Instructions to Bidders. Bid bonds shall be written by a surety or insurance company meeting the requirements noted in L.R.S. 38:2218.

The successful Bidder shall be required to furnish a Performance Bond and Payment Bond, in an amount equal to 100% of the Contract amount, written by a surety or insurance company meeting the requirements noted in L.R.S. 38:2219 A.(1)(a), (b) and (c), or for Federally funded projects, must be listed as acceptable on the U.S. Department of Treasury Circular 570.

City of Alexandria is an equal opportunity employer.

City of Alexandria encourages all small and minority-owned firms and women's business enterprises to apply.

Any person with disabilities required special accommodations must contact the City of Alexandria no later than seven (7) days prior to bid opening.

JUL 14 2025

RECEIVED

SECTION 00100

ADVERTISEMENT FOR BIDS

CITY OF ALEXANDRIA

CONSOLIDATED CITY COMPOUND
METAL ROOF & SOFFIT REPLACEMENT

Separate sealed bids for the CITY OF ALEXANDRIA CONSOLIDATED CITY COMPOUND METAL ROOF & SOFFIT REPLACEMENT Project will be received by the City of Alexandria, Louisiana by the City Clerk, at the City Council Office, City Hall, 915 Third Street, Alexandria, Louisiana, 71301 until 10:00 a.m. (Central Time) on Tuesday, August 26, 2025 and then at said office publicly opened and read aloud. Any bid received after the specified time and date will not be considered.

A Mandatory Pre-Bid Conference will be held at 10:00 a.m. on Thursday, August 7, 2025 at the City of Alexandria Consolidated City Compound located at 2021 Industrial Park Road, Alexandria, LA 71303.

The Instructions to Bidders, Bid Form, Agreement Between Owner and Contractor, Forms of Bid Bond, Performance and Payment Bonds, Drawings and Specifications, and other Contract Documents may be examined at the following location:

PAN AMERICAN ENGINEERS, LLC
(Design Professional)
1717 JACKSON STREET (71301)
P. O. BOX 8599 (71306)
ALEXANDRIA, LOUISIANA
(318) 473-2100

The work is generally described as follows:

All work related to the project entitled "City of Alexandria Consolidated City Compound Metal Roof & Soffit Replacement," including the installation of a hugger roof system over 16,100 sf of existing building area. The retrofit hugger framing system shall be complete with fascia trim, ridge, etc. and all other items as shown on the drawings and included in the Base Bid.

Copies of the bidding documents shall be obtained from the office of Pan American Engineers, LLC upon deposit of \$150.00 for each set of documents; or from the electronic bid submittal option as noted in the Advertisement. The deposit on the first set of documents furnished to bonafide prime bidders will be fully refunded upon return of the documents, in good condition, no later than ten (10) days after receipt of bids. On other sets of documents furnished to bidders, the deposit less actual cost of reproduction will be refunded upon return of the documents, in good condition, no later than ten (10) days after receipt of bids.

Pursuant to Louisiana Revised Statute (L.R.S.) 38:2212.E.(1), Bidders have the option to secure bidding documents and submit bids electronically. Bidding documents may be secured from Central Bidding. Electronic bids for this project may be submitted through Central Bidding. The Central Bidding web address is www.CentralBidding.com. To register, or for assistance with completing an e-bid, contact Central Bidding at 225-810-4814 or 866-570-9620.

The OWNER reserves the right to reject any or all bids for just cause. Such actions will be in accordance with Title 38 of the L.R.S.

In accordance with L.R.S. 38:2212.B.(1), the provisions and requirements stated in the Bidding Documents shall not be considered as informalities and shall not be waived.

Each Bidder must deposit with the bid, security in the amount of at least five percent (5%) of the total bid price, as described in the Instructions to Bidders. Bid bonds shall be written by a surety or insurance company meeting the requirements noted in L.R.S. 38:2218.

The successful Bidder shall be required to furnish a Performance Bond and Payment Bond, in an amount equal to 100% of the Contract amount, written by a surety or insurance company meeting the requirements noted in L.R.S. 38:2219 A.(1)(a), (b) and (c), or for Federally funded projects, must be listed as acceptable on the U.S. Department of Treasury Circular 570.

City of Alexandria is an equal opportunity employer.

City of Alexandria encourages all small and minority-owned firms and women's business enterprises to apply.

Any person with disabilities required special accommodations must contact the City of Alexandria no later than seven (7) days prior to bid opening.

City Clerk

ORDINANCE NO.

AN ORDINANCE AUTHORIZING THE MAYOR TO ACCEPT THE LOW BID SUBMITTED FOR CONSOLIDATED CITY COMPOUND METAL ROOF AND SOFFIT REPLACEMENT.

SECTION I: BE IT ORDAINED by the Council of the City of Alexandria, Louisiana, in legal session convened, that the Council hereby authorizes the mayor to accept the low bid submitted for consolidated City Compound Metal Roof and Soffit Replacement.

SECTION II: BE IT FURTHER ORDAINED, etc. that the Mayor of the City of Alexandria be authorized to pay said low bidder from the 2025/2026 budget and to each and every other act or deed needed or necessary to consummate said transaction.

SECTION III: BE IT FURTHER ORDAINED, etc., that this ordinance shall become effective upon signature by the Mayor; or, if not signed or vetoed by the Mayor, upon expiration of the time for ordinances to become law without signature by the Mayor.

SECTION IV: BE IT FURTHER ORDAINED, etc., that if any provision or item of this ordinance or the application thereof is held invalid, such invalidity shall not affect other provisions, items or applications of this ordinance which can be given effect without the invalid provisions, items, or applications, and to this end the provisions of this ordinance or hereby declared severable.

SECTION V: BE IT FURTHER ORDAINED, etc., that all ordinances or parts of ordinances in conflict herewith are hereby repealed.

THIS ORDINANCE was introduced on the 9th day of September, 2025.

NOTICE PUBLISHED on the 12th day of September, 2025.

THIS ORDINANCE having been submitted in writing, introduced and published, was then submitted to a final vote as a whole, the vote thereon being as follows:

YEAS:

ORDINANCE NO.

AN ORDINANCE AUTHORIZING THE MAYOR TO ACCEPT THE LOWEST PROPOSAL RECEIVED FROM ELECTRIC POWER SYSTEMS INTERNATIONAL, INC. FOR TESTING AND MAINTENANCE OF SUBSTATION TRANSFORMERS, CIRCUIT BREAKERS AND RELATED EQUIPMENT AND OTHER MATTERS WITH RESPECT THERETO.

WHEREAS, three proposals were received on Monday, August 18, 2025 at 2:00 PM. A total of three proposals were received. It is the recommendation of the Administration to award the proposal to Electric Power Stems International, Inc at the float man hour labor rate of \$97.00/per hour. Overtime rate 1.45% and all other rates as proposed.

WHEREAS, this service contract shall remain in effect for a period of twelve months from award date. The City reserves the right to renew this service contract for up to twenty-four months in twelve months increments.

SECTION I: BE IT ORDAINED by the Council of the City of Alexandria, Louisiana, in legal session convened, that the Council hereby authorizes the mayor to accept the lowest proposal received from Electric Power Systems International, Inc. for testing and maintenance of substation transformers, circuit breakers and related equipment.

SECTION II: BE IT FURTHER ORDAINED, etc., that this ordinance shall become effective upon signature by the Mayor; or, if not signed or vetoed by the Mayor, upon expiration of the time for ordinances to become law without signature by the Mayor.

SECTION III: BE IT FURTHER ORDAINED, etc., that if any provision or item of this ordinance or the application thereof is held invalid, such invalidity shall not affect other provisions, items or applications of this ordinance which can be given effect without the invalid provisions, items, or

applications, and to this end the provisions of this ordinance or hereby declared severable.

SECTION IV: BE IT FURTHER ORDAINED, etc., that all ordinances or parts of ordinances in conflict herewith are hereby repealed.

THIS ORDINANCE was introduced on the 9th day of September, 2025.

NOTICE PUBLISHED on the 12th day of September, 2025.

THIS ORDINANCE having been submitted in writing, introduced and published, was then submitted to a final vote as a whole, the vote thereon being as follows:

AND THE ORDINANCE was declared adopted on this the ____ day of September, 2025 and final publication was made in the Alexandria Daily Town Talk on the ____ day of September, 2025.

CITY CLERK

PRESIDENT

MAYOR'S APPROVAL/VETO

To consider final adoption of an ordinance authorizing the mayor to renew the existing contract with Xpress Recycling for the sale of scrap metal.

AGENDA ITEM FACT SHEET

*This fact sheet is the basis for a decision by the City Council.
Please insure that the information is clear, concise and current.*

Division/Department: Finance/Purchasing

Date: August 22, 2025

Title: Request an ordinance to renew existing contract for the Sale of Scrap Metal

Explanation of Proposal:

For an Ordinance authorizing the Mayor to renew the existing contract with Xpress Recycling for the Sale of Scrap Metal at the quoted Percentage Off the American Metal Market (AMM) Nonferrous Price List for Category I and quoted Percentage Of Ferrous Heavy Melt Scrap metal Price List for Category II per gross ton. This contract was originally awarded by Ordinance # 147-2024. Contingent upon the availability of funds, the City reserves the right to renew the existing contract for a period of up to twelve (12) more months. Prices shall remain in effect for twelve (12) months from bid award Date.

August 28, 2025

Mr. David Johnson
Risk Manager
City of Alexandria
915 Third Street
Alexandria, LA 71301

Dear David:

This letter will confirm the scope and cost of Milliman's annual actuarial analysis of the self-insured workers compensation (WC), auto liability (AL), and general liability (GL) programs for the City of Alexandria, Louisiana (City), for the fiscal year ending 2025.

SCOPE OF SERVICES

The scope of our analysis will include the following:

- An estimate of the unpaid losses and allocated loss adjustment expenses (ALAE) as of May 5, 2025 for the three reviewed coverages.
- A projection of the self-insured loss and ALAE funding for the next two prospective fiscal years for each coverage.
- A calculation of loss cost relativities for each fund within the City for each coverage.
- An allocation of unpaid losses and ALAE and funding requirements to funds within the City.

At the conclusion of our analysis, we will issue a draft report which explains the details of our analysis and results. Once we have received your feedback on the draft report, we will issue our final report.

COST OF SERVICES

We agree to perform the above analysis for a fixed cost of **\$11,500**, plus any project-related expenses (which should be minimal). In projects of this nature, it is not unusual for the client to request additional services or to change the scope of the assignment. If you request additional work, or if other work becomes necessary due to data availability or unexpected results, additional charges may apply. To the extent possible, we will discuss with you any likely additional charges before proceeding.

All work will be subject to the terms and conditions of the Consulting Services Agreement between Milliman and the City dated September 4, 2019.

Mr. David Johnson
Actuarial Consulting Services
August 28, 2025

We appreciate the opportunity to work with you and the City again this year. Please let me know if you have any questions regarding our analysis.

Sincerely,

A handwritten signature in cursive script that reads "David M. Lang".

David M. Lang, FCAS, MAAA
Principal

On behalf of the **City of Alexandria, Louisiana**, I authorize Milliman, Inc. to undertake this analysis under the terms described above.

ORDINANCE NO.

AN ORDINANCE AUTHORIZING THE MAYOR TO RENEW THE CONTRACT WITH MILLIMAN, INC. FOR ACTUARIAL SERVICES RELATING TO RISK MANAGEMENT FUND AND OTHER MATTERS WITH RESPECT THERETO.

SECTION I: BE IT ORDAINED by the Council of the City of Alexandria, Louisiana, in legal session convened, that the Council hereby authorizes the mayor to renew the contract with Milliman, Inc. for actuarial services relating to Risk Management fund.

SECTION II: BE IT FURTHER ORDAINED, etc., that this ordinance shall become effective upon signature by the Mayor; or, if not signed or vetoed by the Mayor, upon expiration of the time for ordinances to become law without signature by the Mayor.

SECTION III: BE IT FURTHER ORDAINED, etc., that if any provision or item of this ordinance or the application thereof is held invalid, such invalidity shall not affect other provisions, items or applications of this ordinance which can be given effect without the invalid provisions, items, or applications, and to this end the provisions of this ordinance or hereby declared severable.

SECTION IV: BE IT FURTHER ORDAINED, etc., that all ordinances or parts of ordinances in conflict herewith are hereby repealed.

THIS ORDINANCE was introduced on the 9th day of September, 2025.

NOTICE PUBLISHED on the 12th day of September, 2025.

THIS ORDINANCE having been submitted in writing, introduced and published, was then submitted to a final vote as a whole, the vote thereon being as follows:

YEAS:

NAYS:

ABSENT:

AND THE ORDINANCE was declared adopted on this the ____ day of September, 2025 and final publication was made in the Alexandria Daily Town Talk on the ____ day of September, 2025.

CITY CLERK

PRESIDENT

MAYOR'S APPROVAL/VETO

To consider final adoption of an ordinance authorizing the mayor to enter into an Intergovernmental Agreement with Rapides Parish Law Enforcement District relative to an employee health and wellness clinic venue program and related services.

This fact sheet is the basis for a decision by the City Council. Please insure that the information is clear, concise and current.

AGENDA ITEM FACT SHEET

Date: 8/13/25

TITLE: ~~INTRODUCTION~~ ^{INTRODUCTION} OF AN ORDINANCE TO AUTHORIZE THE MAYOR, ON BEHALF OF THE CITY OF ALEXANDRIA, TO ENTER INTO AN INTERGOVERNMENTAL AGREEMENT WITH THE RAPIDES PARISH LAW ENFORCEMENT DISTRICT ("RPSO") RELATIVE TO AN EMPLOYEE HEALTH AND WELLNESS CLINIC VENUE, PROGRAM AND RELATED SERVICES AND ~~TO PROVIDE WITH RESPECT THERETO.~~ ^{TO OTHERWISE}

EXPLANATION OF PROPOSAL

The City and the Rapides Parish Sheriff's Office will cooperate with an employee health and wellness clinic venue, program and related services. RPSO employees may participate and use the clinic program and services. The City provides the place or venue and the Sheriff's office will pay for part of the occupancy, utility and related building services. The City and RPSO have each separately contracted with the third-party provider Medical Analysis, LLC for certain services. The City and Sheriff's office may cooperate with the clinic, program and related services at the venue.

H. PUBLIC HEARING – COMMUNITY DEVELOPMENT

To hold a public hearing on the cost of demolition of twenty-five (25) residential structures.

AGENDA ITEM FACT SHEET

*This fact sheet is the basis for a decision by the City Council.
Please insure that the information is clear, concise and current.*

Division/Department: Community Development

Date: July 31, 2025

Title: A Resolution setting a public hearing taking action on the cost of demolition of (25) residential structures.

Explanation of Proposal:

Additional Information Attached ☒

Introduce on August 12, 2025 for authorization to set a Cost Public Hearing on September 23, 2025 for the authority to file liens on the (25) properties that the City has demolished. The cost lien amount is a total of expenses associated with the removal of each structure based on a City Council Condemnation Order. All Property owners have been sent certified mail notice of the lien amounts and had the opportunity to pay the lien prior to City Council Public Hearing but have not to date.
