The use of a particular expression or illustration as to duties shall not be held to exclude others not mentioned that are of similar kind or quality.

An employee in the classified service may be required by the Appointing Authority to work overtime and shall be compensated for overtime in accordance with Fair Labor Standards Act, hereinafter referred to as “FLSA”, for overtime conditions.

It is the intent of civil service to ensure equal distribution of overtime by assigning overtime to the employee who is qualified to do the job by rotation based on seniority within the job classification within the department. The initial distribution and assignment of overtime shall be by seniority. After the initial overtime assignment, overtime will be worked by those employees in the job classification having worked the least amount of overtime.

charts shall begin with the most senior employee within the job classification.

Voluntary overtime work offered but refused shall be recorded as above and given equal consideration as overtime actually worked in regards to eligibility for future overtime assignments. Refusals to work voluntary overtime shall be made in writing. If an employee is in a leave status or cannot be contacted for overtime, the Appointing Authority shall go to the next eligible employee and the employee will not be penalized for the overtime offered and will remain eligible for the next overtime assignment.

When an employee is on extended leave for a period greater than four (4) weeks, not including annual leave, he will be positioned on his department's overtime list for his class utilizing the mean average overtime hours worked by all employees within his assigned job classification within the department.

If the overtime assignment requires qualifications not possessed by the next senior employee eligible for voluntary overtime work, the Appointing Authority shall so advise the employee and go to the next eligible employee possessing the required qualifications and the employee will not be penalized for the overtime offered and will remain eligible for the next overtime assignment.

Overtime pay provisions shall not apply to classes of work designated as exempt in the pay plan. It is expected that employees in the exempt classes will work whatever hours are required to satisfy the needs of the service and will adjust their working schedules to meet such needs.

Employees whose merit increases are withheld shall retain their eligibility for such increases for a three-year period.

XII§4.4 Reduction in Work Hours (Added October 1, 2010)

- C. of the fact that forms to assist in the filing of an appeal may be obtained from the Civil Service Department.

RULE XII § 5

ORDER IN MAKING LAYOFFS

XII§5.1 Whenever a position in the classified service is abolished or needs to be vacated because of stoppage of work from lack of funds or other cause, the employee in the class involved in the affected department having the lowest average performance evaluation for the last three (3) years of his service immediately preceding the proposed layoff date or for the entire period of less than three (3) years shall be laid off. In the absence of a performance evaluation, or in case of equal performance evaluation, the inverse order of seniority in the class involved shall be the factor determining the order of layoff. The Appointing Authority shall give written notice to the Director of every proposed layoff a reasonable time before the effective date thereof, but no less than forty-five (45) days prior to the effective date of the layoff, and the Director shall make such orders relating thereto as he considers necessary to secure compliance with the Rules. The written notice shall include the names and titles of any and all probationary and regular employees proposed for layoff in inverse order. No layoff shall be effected until the Director has approved the names submitted for layoff. The name of every regular employee so laid off shall be placed on the appropriate preferred reemployment list. All such names will be ranked by seniority within the class and shall remain on the preferred reemployment list and be governed by the provisions of Rule VII§10.2. (Redesignated from Rule XII § 4 and amended effective October 1, 2010)

When employees in a designated class in an organizational unit are to be laid off, the order of layoff shall be determined in the following order of succession: (Added October 1, 2010)

- A. Those holding appointments on an emergency, temporary, or provisional basis; (Amended October 1, 2010)
- B. Those who have not completed their working test period who

were certified from original entrance employment lists;
(Amended October 1, 2010)

- C. Repealed October 1, 2010
- D. Regular employees in the manner specified by Rule XII§5.1.
(Amended October 1, 2010)

XII§5.2 Seniority of regular employees in the class involved in the organizational unit affected by a contemplated layoff shall be computed as follows: (Added October 1, 2010)

- A. by the total length of continuous employment under a permanent appointment with the City; and
- B. by the total length of continuous employment under a permanent appointment plus the total length of prior interrupted service under a permanent appointment occasioned by a layoff, providing the break in service from the layoff is not greater than thirty-six (36) months;

XII§5.3 When two or more regular employees have like seniority, the Appointing Authority shall have the discretion in determining which employee or employees shall be laid off first. (Added October 1, 2010)

XII§5.4 Should a regular employee be scheduled for layoff as a result of having the lowest ranking on the order-of-layoff list for the class in which a layoff is contemplated but has an equal average performance rating and more seniority or a higher average performance rating than an employee in a lower class of the same kind of work in the organizational unit, he shall be demoted to the lower class and an employee in the lower class shall be demoted or laid off in accordance with this Rule. (Added October 1, 2010)

XII§5.5 Upon receipt of the formal notice of an impending layoff but before the layoff is affected, the Director may approve the transfer of employees to vacant positions which are not affected by the layoff in order to vacate positions to be abolished. The following provisions regarding the transfer of employees potentially affected by the layoff shall apply: (Added October 1, 2010)

- A. Should a probationary or regular employee be scheduled for layoff in one department while a provisional employee holds a

position of the same class in another department, the Director shall arrange a transfer of the probationary or regular employee to the position held by the provisional.

- B. An employee on an order-of-layoff list who is not scheduled for layoff or demotion may be voluntarily transferred to an equal or lower position which is not affected by the layoff and which the Appointing Authority and the Director deem the employee is qualified to fill.
- C. An employee on an order-of-layoff list who is scheduled for layoff or demotion may be voluntarily transferred or demoted to another position in the same class which is not affected by the layoff or to a position in an equal or lower class which is not affected by the layoff and which the Appointing Authority and the Director deem the employee is competent to fill, provided that:
 - 1. the employee has the highest average service rating and seniority of all employees on the same order-of-layoff list or an order-of-layoff list for another class who are also scheduled for layoff or demotion and who could also be considered for transfer into the position; and
 - 2. when there are multiple vacant positions available, the highest level position shall be offered first and shall be offered to the highest ranking employee eligible under this section.
- D. Nothing in this section shall preclude the transfer of an employee under Rule VIII § 5.

XII§5.6 When the Appointing Authority concludes that a certain individual is essential to the efficient operation of the organizational unit because of special skills or abilities and it wishes to retain the individual in preference to a person of greater seniority, the Appointing Authority must submit a written request to the Director for permission to do so. The request must provide in detail the specific skills and abilities possessed by the individual and the reasons why such individual is essential to the effective operation of the organizational unit. If the Director approves the request, the individual may be retained in spite of a lack of seniority. (Added October 1, 2010)

XII§5.7 Freeze on Appointments to Layoff-Affected Areas (Added October 1, 2010)

Beginning the date the Commission approves the layoff plan, no appointments shall be made in the affected department to job titles or positions abolished in the layoff. This freeze on appointments shall end upon the establishment of the Department Preferred Reemployment List.

XII§5.8 An exit interview will be conducted by the Civil Service Department with affected employees prior to layoff to inform the employees of their re-employment rights. (Added October 1, 2010)

RULE XII § 6 RESIGNATION (Added October 1, 2010)

XII§6.1 An employee will be considered as having resigned from employment with the City when:

- A. the employee provides written or oral notice of resignation;
- B. the employee fails to report to work for five (5) consecutive working days without properly notifying the immediate supervisor or Appointing Authority, excluding a catastrophe; or
- C. the employee fails to report to work at the end of a leave of absence without pay.

XII§6.2 An employee's written or oral notice becomes effective on the date and time specified by the employee. An oral resignation must be documented by the person receiving it. An employee may not withdraw or modify the resignation after the Appointing Authority accepts it unless the Appointing Authority agrees. An employee may resign after receiving notice that the authority is proposing dismissal, but the proposed dismissal will be documented as a "resignation in lieu of termination". A resignation claimed to have been obtained by duress or fraud may be treated by the Commission as a notice of discharge, provided the employee notifies the Commission in writing that such resignation was not voluntary and the employee files an appeal with the Director in accordance with Rule XIII§1.5. The burden of proof of such fraud or duress shall be on the employee.

RULE XII § 7

**TERMINATION FOR CONVICTION OF A FELONY (Added
October 1, 2010)**

The employee-employer relationship existing between an employee in the City's classified service may be terminated or such employee may be removed from his position of employment with the City upon conviction, during his employment, of a felony as defined by the laws of this state and by the laws of the United States. Within ten (10) days after a conviction is final and all appellate review of the original trial court proceedings is exhausted, the Appointing Authority may terminate any classified employee who is convicted of a felony and is holding a position of employment with the City. For the purposes of Rule XII of the City of Alexandria Civil Service Rules, final conviction of a felony may be a cause for termination of an employee from the classified service of the City.

(Added October 1, 2010)

A. Persons appealing to the Commission shall do so in writing by filing a Petition of Appeal, which will be available in the Civil Service Department. (Added October 1, 2010)

Appeals to the Commission must be filed with and received by the Civil Service Department during established department working hours and within thirty (30) calendar days of the effective date of the action complained against or thirty (30) calendar days from the date the appellant first learned of the adverse action, whichever occurs last. Saturdays, Sundays, holidays, and non-working days shall not serve to extend the thirty-day limitation. Following the expiration of this thirty (30) calendar day period for filing and receipt of appeals, no appeal shall be amended or supplemented in such a way as to change the fundamental issues involved in the original appeal. (Added October 1, 2010)
- D. Within sixty (60) calendar days after receipt of the appeal, the Commission shall initiate a hearing. The Commission may continue the hearing from time to time for good cause and reason. (Added October 1, 2010)
- Notwithstanding the aforesaid, any failure by the Commission to schedule and/or commence an appeal hearing within sixty (60) calendar days as required herein shall not prejudice and/or affect the rights of the employee and/or the Appointing Authority with regard to the disciplinary action taken and the appeal. (Amended October 1, 2010)
- E. Except as otherwise specifically provided in the Rules, the burden of proof on appeal, as to the facts, shall be on the Appointing Authority or other official against whom action the appeal is taken. Refer to Rule XIII§2.4. (Added October 1, 2010)
- F. When discrimination is alleged to be a basis for appeal,

specific facts supporting the allegation of discrimination must be provided in detail by the appealing party. The Commission, each member of the Commission, the Director, its attorney and any referee of the Commission shall have the power to administer oaths, subpoena witnesses, and compel the production of books, records, files, and papers pertinent to any investigation or hearing authorized by the Commission pursuant to the Law and Rules. (Amended October 1, 2010)

When the Commission hears an appeal, and in the absence of a court reporter, the Commission Chairman will administer an oath to the witnesses who will then be examined by the parties. In certain cases, it may be necessary for testimony to be taken outside the presence of the Commission or on a day other than the day set for the hearing. In such cases, the Commission may appoint or designate a person with the power to administer oaths, such as a court reporter, to take and transcribe the necessary testimony. The parties to the appeal will be entitled to question the witness in front of the person designated to take the testimony. (Added October 1, 2010)

Any employee required to testify shall not be subjected to any disciplinary action by the Appointing Authority because he so testifies. (Added October 1, 2010)

XIII§2.2 Refusal to Appear or Testify; Providing False Testimony (Amended October 1, 2010)

A. Any employee in the classified service who refuses or fails to appear before the Commission, its Director, or its attorney in response to a subpoena or a request under the provisions of Rule XIII§2.1, or having appeared refuses to testify or answer any question pertinent to the matters under consideration or who knowingly gives false testimony or who knowingly solicits, condones, or accepts without refutation, false or misleading testimony given by a witness in his behalf at a hearing, or who fails to produce any books, papers, photographs, or other items pertinent to the hearing may be found by the Commission to be guilty of contempt in accordance with these Rules and, in addition to that which is provided for in these Rules, may be found by the Commission

to have forfeited his position and may be found by the Commission not to be eligible thereafter for appointment to any position in the classified service for a period not to exceed ten years or be subject to a suspension from his position. (Amended October 1, 2010)

- B. In the case of refusal by any person to willfully fail to appear in response to a subpoena or to an order issued under the provisions of Rule XIII§2.1 hereof, or to willfully fail to answer any question or produce any books, papers, photographs, or other items pertinent to any hearing before the Commission, the Director, or its attorney, or to knowingly give false testimony or to knowingly solicit, condone, or accept, without refutation, false or misleading testimony given by any witness in his behalf at any such hearing, the Commission may authorize its attorney to seek an order from a court of requisite jurisdiction compelling such person to appear before the Commission, its members, its Director, or its attorney and to produce records, or be there to give testimony pertaining to the matter under consideration or in question. The Commission may also authorize its attorney to pursue contempt proceedings against any person who fails to comply with the order of the Court and these Rules. (Added October 1, 2010)
- C. If the Appointing Authority or the appellant fail to appear at the place, and on the day and at the hour fixed for such hearing, the Commission may, in its discretion, decide the issue involved on the basis of the evidence introduced and may render a decision by default against any party failing to appear. (Redesignated from Rule XIII§3 effective October 1, 2010)

XIII§2.3 Deadlines for Hearings (Added October 1, 2010)

- A. The Commission shall provide the employee and the Appointing Authority with advance written notice of the scheduling of a hearing on an appeal. This notice shall be sent at least fifteen (15) days before the date fixed for the hearing and shall include the date, time, and location of the hearing. If such written notice is placed in the United States mail, postage prepaid, and addressed to the employee at his last known address, notice shall be deemed to have been given. (Redesignated from Rule XIII § 3 and amended effective October 1, 2010)

- B. The employee and the Appointing Authority shall provide the Commission with a Pre-Hearing Memorandum, which shall contain the following: (1) a factual background of the appeal; (2) a summary of the law relied upon by each party; (3) a witness list and a summary of the anticipated testimony for each witness; and, (4) an exhibit list at least ten (10) calendar days in advance of the hearing. Parties shall not be entitled to call any witnesses to testify at the hearing that are not included in the Pre-Hearing Memorandum; or to place into evidence any exhibit not disclosed in the Pre-Appeal Memorandum, except upon approval of the Commission and for good cause shown. A copy of all exhibits to be used at the hearing shall be provided to the Commission as attachments to the Pre-Hearing Memorandum. The provisions of this subsection shall not apply to rebuttal witnesses or to documents or other evidence used for impeachment purposes. (Amended June 23, 2017)

- C. The employee and the Appointing Authority shall attend a Pre-Hearing Conference with the Civil Service Board Chairperson and/or Civil Service Board Designee as well as the Civil Service Board's legal counsel to discuss and, if possible, agree upon, among other things, stipulation of fact and evidence to be submitted at the hearing. The Chairperson and/or Designee shall endeavor to schedule the Pre-Hearing Conference at a time and place convenient for all parties between five (5) to seven (7) calendar days before the date of the appeal hearing. Attendance either in-person or by telephone at the Pre-Hearing Conference is mandatory. (Added June 23, 2017)

XIII§2.4 Hearing Proceedings (Added October 1, 2010)

- A. All hearings shall be open to the public.

- B. At all appeal hearings the Appointing Authority shall have the burden of proof and shall proceed first to present its case in support of the actions taken by it against the employee. After the Appointing Authority has completed the presentation of its case, the employee shall be permitted to present his case. The Appointing Authority shall be entitled to present testimony and documentation to rebut the employee's allegations and evidence following the completion of the employee's

presentation of his case. (Redesignated from Rule XIII§1.3 and amended effective October 1, 2010)

Notwithstanding the aforesaid, in all cases in which the employee has asserted that the Appointing Authority has discriminated against him in imposing the disciplinary action taken, the employee shall have the burden of proof and shall proceed first to present his case. In such cases, the party alleging discrimination must prove that he is in a protected class based on race, color, religion, national origin, age, disability, gender, sexual orientation, or political affiliation and prove that he suffered an adverse employment action. The burden will then shift to the City which must articulate a legitimate non-discriminatory reason for its decision or action. If the City carries this burden, the burden will shift back to the appellant who must prove that the reason given by the City for its action or decision is untrue and that the real reason was intent to discriminate.

- C. All persons to be called as witnesses by the employee and the Appointing Authority shall be sworn in and placed under the rule of sequestration prior to the commencement of the first hearing on the employee's appeal. Witnesses placed under the rule of sequestration shall be banned from the hearing room during the course of the hearing except when testifying before the Commission themselves. Witnesses placed under this rule of sequestration shall further be prohibited from discussing the facts and circumstances of the case with any persons or parties other than the attorneys for the employee and/or the Appointing Authority. After a witness has completed his testimony at a hearing and has been released by the parties, he shall be released from the rule of sequestration, except that he shall be prohibited from discussing the case with any other witness until the conclusion of the appeal before the Commission.
- D. Affidavits and other exparte statements shall not be received into evidence without the consent of all parties, except to refresh memory or to discredit a witness.
- E. Parties and witnesses shall be subject to cross-examination as in civil trials before the courts and the Commission, each member of the Commission, or its attorney may examine and

cross-examine any witness.

- F. The Commission may require that the parties stipulate all undisputed facts.
- G. The Commission may limit corroborative evidence.
- H. The Commission may set the total time to be allowed for oral argument, according to the circumstances of each case, and may limit oral argument to one or more issues.
- I. The Commission may take notice of the provisions of the Act, the Rules, the classification plan, and the pay plan without the necessity of an offer in evidence.
- J. At the time or commencement of any hearing or other matter considered or decided by the Alexandria Civil Service Commission under Rule XIII, a Commissioner shall recuse him/herself from the proceeding or matter under the following circumstances: (Added June 20, 2012)
 - 1. when the Commissioner is related by marriage or blood in the second degree or higher to any party or employee having an interest in the matter before the Civil Service Commission;
 - 2. when the Civil Service Commissioner would personally benefit in any way from a decision in the matter before the Civil Service Commission; or
 - 3. when the Civil Service Commissioner is biased, prejudiced, or otherwise interested in the cause or outcome or biased or prejudiced toward or against the party or the parties' attorneys or any witness to such an extent the Civil Service Commissioner would be unable to conduct a fair and impartial hearing.
- K. At the time or commencement of any hearing or other matter considered or decided by the Alexandria Civil Service Commission under Rule XIII, a Civil Service Commissioner may recuse him/herself from the proceeding or matter under the following circumstance: (Added June 20, 2012)

1. when the Commissioner currently employs an attorney personally representing the Commissioner, and the attorney employed by the Commissioner is handling a matter before the Civil Service Commission, and in this case the employment shall be disclosed to each party in the cause.
- L. When a written motion is presented to recuse a Commissioner, the Commissioner shall either recuse himself or refer the motion to the other Commissioners present. (Added June 20, 2012)
 - M. If the Motion for Recusal is referred to the other Commissioners present, the inquiry shall be an objective one. The Commissioners deciding the Motion for Recusal shall not ask whether the Commissioner is subjectively biased, but whether the average Commissioner in his position is likely to be neutral, or whether there is an unconstitutional potential for bias. (Added June 20, 2012)
 - N. In the event of a tie vote by the Commissioners present who are referred a Motion for Recusal, the Commissioner that is the subject of the Motion for Recusal shall remain at the hearing or other matter considered or decided by the Alexandria Civil Service Commission and shall render his vote in the roll call at the conclusion of the hearing or other matter before the Alexandria Civil Service Commission. (Added June 20, 2012)
- XIII§2.5 The Commission shall decide appeals on the basis of relevant facts produced and presented by the employee and the Appointing Authority at the appeal hearing, including sworn testimony and documentary evidence. (Added October 1, 2010)

somewhat above the standards of performance required for the position. This is the performance expected from a trained and qualified employee.

- D. Improvement Needed: This rating indicates that a significant part of the work performance is below the standards of performance for the position and there is a reasonable expectation that the employee will bring his/her performance up to acceptable standards.
- E. Unsatisfactory: This rating is given when a substantial part of the work performance is inadequate and inferior to the standard of performance required for the position.

RULE XVII § 6 PERFORMANCE PLANNING SESSION

XVII§6.1 Four months prior to the employee's anniversary date, the rating supervisor shall hold a meeting with the employee to discuss the factors that will be covered in the performance evaluation, as well as the performance that will be expected of the employee. The performance planning form will be signed by both the rating supervisor and the employee to document the meeting. (Amended January 16, 2008)

XVII§6.2 Thereafter, performance planning sessions shall be conducted no later than thirty (30) days after:

XVII§7.3 The rating supervisor shall discuss the ratings with the employee. The employee and the rating supervisor shall sign the form and a copy given to the employee.

RULE XVII § 8 RE-RATING (Amended January 16, 2008)

If the employee is again rated “Unsatisfactory”, the department head shall recommend the employee be demoted or terminated and start the appropriate proceeding.

RULE XVII § 9 WHEN RATINGS OR RE-RATINGS BECOME OFFICIAL

The rating or re-rating shall become official when a copy of a signed rating sheet has been given to the employee. No signed rating sheets shall be altered or changed.

RULE XVII § 10 EMPLOYEE’S REFUSAL TO SIGN

An employee cannot prevent a rating or re-rating from becoming official by refusing to sign the performance planning session or evaluation form. If an employee refuses to sign, the rating supervisor shall note on the form that the employee refused to sign and the date.

RULE XVII § 11 EFFECTS OF RATINGS (Amended January 16, 2008)

XVII§11.1 An employee receiving an overall “Competent” rating or higher becomes eligible for promotion or salary increases. Additionally, the employee is entitled to a salary increase as provided in Rule No. VI§7.4. (Amended October 1, 2010)

XVII§11.2 An employee receiving an overall “Improvement Needed” or “Unsatisfactory” rating becomes ineligible for promotion or salary increases until he receives an overall “Competent” rating.

The employee should attach supporting documentation, if available.
- B. The division head shall review the employee's request, along with any supporting documentation. The division head may render a decision based on the information provided or may schedule a meeting at which the employee, the rating supervisor, and any other persons the division head deems appropriate may be heard.
- C. No later than fifteen (15) calendar days after receiving the employee's request, the division head shall give the employee a written notice of his decision regarding the rating.
- D. The division head may designate another person to conduct the review, as long as the person did not participate in the rating.
- E. Failure by the division head or his designee to comply with this section of the Rule, absent compelling reasons, shall be considered as no rating for the employee and Section 15 of this Rule shall apply.
