

# Household Hazardous Waste COLLECTION DAY

Please Help Us Dispose of Household Hazardous Waste Properly  
for a Cleaner, Safer Environment.

Saturday, May 13, 2023 from 9 A.M. to 1 P.M.  
City Complex - 2021 Industrial Park Road, Alexandria, LA

## What is Household Hazardous Waste?

Household hazardous waste is any product labeled: Toxic, poison, corrosive, flammable, combustible, or irritant.  
*The health and safety of our families, neighborhoods, and environment are threatened when hazardous waste is improperly stored or disposed.*

## Household Hazardous Waste to Bring:

Aerosol Cans • Rechargeable & Alkaline Batteries • Bleach & Household Chemicals  
Electronics & Computers (Limit 5) • Fire Extinguishers • Pyrotechnics  
Ballast & Fluorescent Bulbs (Limit 25 Tubes) • Gasoline • Kerosene • Diesel Fuel & Oil  
Expired Prescription Drugs • Mercury-Containing Devices (Thermometers, thermostats, etc.)  
Paints & Thinners • Lawn & Garden Chemicals or Fertilizers • Tires (Limit 5)  
Pressure Bottles & Tanks (Oxygen, carbon dioxide, etc.)  
Propane Bottles & Tanks (Under 40 lbs)

## Do Not Bring:

Major Appliances  
(Dryers, washers, refrigerators)  
Commercial Waste  
Construction & Demolition Debris  
Ammunition  
Televisions

## How to prepare your materials:

1. Seal the material in its original container, if possible.
2. Wrap glass bottles in a cloth, newspaper, or other packaging material to prevent breakage.
3. Place material in a cardboard box.
4. Place the cardboard box either in the trunk of the car or in the bed of a pickup truck.
5. Keep material away from passengers.
