

YOUR HOUSE CAN BE
lead safe!

did you know?

- Many houses built before 1978 have lead inside them?
- Lead can seriously hurt your brain and body!

Ask you family how old your house is!

If there is flaky paint like this in your house, don't touch it! It may contain lead hazards!

you may be eligible if:

- Your home is not in a floodplain
- Your home was built before 1978
- Your income does not exceed the current HUD maximum limits for your household

Apply today for the
 Lead-Safe Housing Program!
