

YOUR HOUSE CAN BE **lead safe!**

did you know?

- Many houses built before 1978 have lead inside them?
- Lead can seriously hurt your brain and body!

Ask you family how old your house is!

If there is flaky paint like this in your house, **don't touch it!** It may contain lead hazards!

you may be eligible if:

- Your home is not in a floodplain
- Your home was built before 1978
- Your income does not exceed the current HUD maximum limits for your household

# of people per household:	1 person	2 person	3 person	4 person	5 person	6 person	7 person	8 person
