Parks Renovation Announcement

The Division of Community Services is excited to announce the Park Playground Project will begin soon where multiple parks will undergo renovations to improve facilities and enhance your experience.

The parks included in this project are:

- Helen Black
- Deborah Bowman
- Charles F. Smith
- Cheatham
- Frank O. Hunter
- City Park

The project renovations will include:

- Upgraded playground equipment
- Improved walking trails and sport courts
- New seating and picnic areas
- Landscaping and safety enhancements

Please note at times the parks must be closed to all users for safety; however, please let us know needs with advanced notice as we might be able to accommodate certain uses as circumstance allow.

For updates and more information, please contact City of Alexandria, Division of Community Services (318) 449-5225.

Thank you for your understanding and support!
